

NEWSLETTER – July 8, 2020

Well done Chris.

Our first meeting with President Chris evolved around activities for the year 2020-21. It will be focused on increased service with emphasis on fellowship. He did a great job presenting his ideas and expectations.

Honduras Project

Rotary Club of La Paz and New Tampa Noon Rotary club will be doing an International project to build a Community Center in Honduras. The estimated cost of building is \$5,000. There may be additional cost to furnish the room.

Being a new club, they are going through paper work to establish a bank account. Their sponsoring club -Club Rotario San Pedro Sula – will be supporting them in this project.

New Project Proposal

During the presentation by PDG Ed Odom he noted that most of the people do not wear glasses. Rotary clubs in many countries provide free cataract surgery to the poor people. A proposal has been made to explore similar project in La Paz, Honduras.

Jema Mora

Jema Mora was the president of Tampa Rotaract club in 2019-20. She initiated joint membership with New Tampa Noon Rotary club. For her leadership, she was honored by New Tampa Noon Rotary club by presenting her Paul Harris Fellow membership.

Rotary Opens Opportunities

This year's Presidential theme directs us to look for opportunities to do 'good' and feel 'good'.

Getting involved in a project is a very rewarding experience. Rotary knows that collectively we can find more opportunities.

Just for Fun Little Stories

Without her Man

When I was a proofreader, I shared with my coworkers this example to illustrate how writing can skew based on gender: A professor wrote on the blackboard, "Woman without her man is nothing." The students were then instructed to insert the proper punctuation. The men wrote, "Woman, without her man, is nothing." The women wrote, "Woman! Without her, man is nothing." —Susan Allen

Learn to Whistle

Thinking no one could hear me as I loaded a UPS tractor trailer, I began to whistle. I was really getting into it when a coworker in the next trailer poked his head in. "You know, I always used to wish I could whistle," he said. "Now I just wish you could." —Megs Brunner

Make me a Sandwich

My husband and I were daydreaming about what we would do if we won the lottery. I started: "I'd hire a cook so that I could just say, 'Hey, make me a sandwich!'" Thomas shook his head. "Not me. I already have one of those." —Julie Phelan
