## Honduras Project – Progress Report.

Honduras Project with the Rotary Club of La Paz is making slow progress. Currently all the Government offices in that area are closed due to CORVID-19. That will prevent them from getting the identification card needed to open a bank account. However, we will be able to go ahead with the project by financing through their president’s personal bank account.

## Join the team

We need 4 volunteers to be part of international service projects. The purpose of the committee is to maintain continuity if the primary contact is unable to co-ordinate the project work. Since we are the International Partners, the committee has very limited

responsibility of coordination with the club where project is done.

## Rotary International Convention 2020

Due to CORVID-19, this year the RI convention was held via Internet. It did not have the flavor of all other RI conventions I had attended. All those who were planning to go to Hawaii to attend the convention in person must have been disappointed.

Hopefully next year’s convention in Taipei, Taiwan will be back to normal.

Attend the meeting

Due to various reasons many members are not attending regular club meetings. Those who do not want to attend due to social distancing can attend the meetings from their home or workplace via Zoom.

## Just for Fun

Teacher: "Kids, what does the chicken give you?"

Mr. and Mrs. Brown had two sons. One was named Mind Your Own Business & the other was named Trouble. One day the two boys decided to play hide and seek. Trouble hid while Mind Your Own Business counted to one hundred. Mind Your Own Business began looking for his brother behind garbage cans and bushes. Then he started looking in and under cars until a police man approached him and asked, "What are you doing?" "Playing a game," the boy replied. "What is your name?" the officer questioned. "Mind Your Own Business." Furious the policeman inquired, "Are you looking for trouble?!" The boy replied, "Why, yes."
