District Governor Visit

Today is the official club visit of our District Governor Mark G. Scolnick. It is the time to get to know our district goals and expectations for the good of Rotary.

Our club does it again

On August 2, 2020, New Tampa Noon Rotary club donated an industrial vegetable processor to the Free Hot Meal project. This machine will help in shredding, slicing, and dicing all variety of vegetables.

Our Rotary members Dr. Puram and Vinnie Kudva handed over the machine to the organizers.

The organizers of the Hot Meal program were delighted to see another great service by New Tampa Noon Rotary Club. They expressed high regard for the Rotary and for the first time realized that there is a great Rotary club right in their neighborhood.

Thanks to the Rotary for opening opportunities.

Hello, from neighboring Rotary Club

It is with regret that we had to give up our ambitious project at St Thomas. After one year of initial contact, there was no sign of any progress. Because of our desire to do the project, we had requested and received 50K dollars in DDF. This hold on \$50K we could not proceed with any other Global

Grant project. We have now returned 18K of DDF back to Rotary Club of Tampa.

They have now expressed a desire to work with us on doing some Global projects. Together we can do more.

Joint Rotary Virtual Meeting

Joint virtual meeting with our Rotaractors will be held on third Wednesday of every month. This will be an evening meeting in lieu of noon meeting.

Meeting hosted via Zoom
 Date: Wednesday, August 19th, 2020
 Time: Starts @ 7:00 PM
 Meeting ID: 368 656 4622

Just for Fun

This week this column is dedicated to those who hate it.
