Kimberly has always had a love for children and families. Her eyes were open to the sad reality that not every child had enough to eat during the week. For years, Kimberly worked with the Backpack for Buddies Program in the public schools. With that program, she worked closely with churches, schools and volunteers to collect, sort and distribute food to elementary-aged students who otherwise would not have food to eat over the weekends and holidays. This love for family continued as a member of a woman's service organization, Benefit the Boro. There, she actively collaborated with schools, churches, DFCS, Red Cross and local law enforcement to identify specific needs and emergencies within the community. The needs were random and vast. She worked both independently and as a team to help remedy the situation at hand.

While helping with an immediate need is important, Kimberly also enjoys being a part of the community in proactive ways. Kimberly is a member of The Rotary Club of Greene and Putnam Counties and is the co-chair of the Pets Love Vets Program. She also volunteers for the local school and community fundraisers such as Tees for Titans, Denim and Diamonds and Lake Oconee Food and Wine Festival.

Kimberly's diverse background in community service has allowed her the opportunity to see first-hand how important collaboration and community involvement is to make a positive change to an issue. The experience and lessons learned from these roles, has equipped her with the insight and wisdom needed to make a positive change in our community by bringing awareness to the pertinent issues that arise in the community.

Rotary Fellowships Month - Make New Friends Around the World

Rotary Fellowships Month - June is designated as "Rotary Fellowships Month" by the RI Board to recognize the importance of international fellowship and good will among Rotarians with similar recreational interests, vocations, and health and medical issue-oriented interests, to promote increased participation in fellowships and increase understanding of this program. The RI Board encourages fellowships groups to highlight activities through projects, activities, and events in celebration of "Rotary Fellowships Month" in June.

"Fellowship is wonderful; it illuminates life's pathway, spreads good cheer, and is worth high price."

-Rotary Founder Paul Harris
