Meeting at the C.O.R.E

Monday, August 12, 2019

Our August 12 club meeting was a vocational tour of the new Collaboration on River's Edge facility. CORE is an initiative of The Greater Gilmer Community Foundation that embodies that spirit. Part resource center, part collaborative workspace, CORE houses entrepreneurs and start-ups, offers co-working and mentorship opportunities, serves as a new venture incubator/accelerator, teaches and trains for employment success and provides a community meeting space.
