Executive Director of Gilmer Family Connection, Tiffany C. Watson

Monday, July 26, 2021

Our guest speaker for our July 26 meeting was the new Executive Director of Gilmer Family Connection, Tiffany C. Watson. She led us through her very personal process of coming to be Director of Family Connection and her own family's experience.

Tiffany shared with us her vision to bring together the business sectors of the community with non-profits. She presented her dream of engaging in conversation on exploring how safe, stable, nurturing relationships and environments are essential to the healthy development of children. Goals include a need for workforce housing, childcare, and access to transportation in our rural area.

Rotary was encouraged by her presence and her work, and we hope to be part of the solutions that can help Gilmer families.

You can find more information about Family Connection at their [website](#) or [Facebook page](#).

Sheriff Nicholson Speaks to Rotary

Monday, July 12, 2021

Rotary welcomed back one of our regular program speakers for the last 15 years, except for last year (because of the pandemic). Sheriff Stacy Nicholson made his usual report on Gilmer County law enforcement. His report was well received and taken to heart by all Rotarians present.
