November 2021
Foundation Month

No one has ever become poor by giving. ♦ Anne Frank

Foundation. A word that we hear mentioned often in our meetings. But what is it? Since it is Foundation month, I wanted to share its history, and why it is essential to the Rotary motto of Service Before Self.

1917- An endowment was created ♦for the purpose of doing good in the world.♦ First donation: \$26.50 (\$583 today)

1928- Renamed The Rotary Foundation

1929- The first gift of \$500 was given to the International Society for Crippled Children. This organization later grew into the Easter Seals. (\$7,616 today)

1978- Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first grant funded a project to immunize 6 million children against Polio in the Philippines.

1985- The PolioPlus program was created to eradicate polio worldwide.

2013- New district, global and package grants enable Rotarians to respond the world♦s greatest needs.

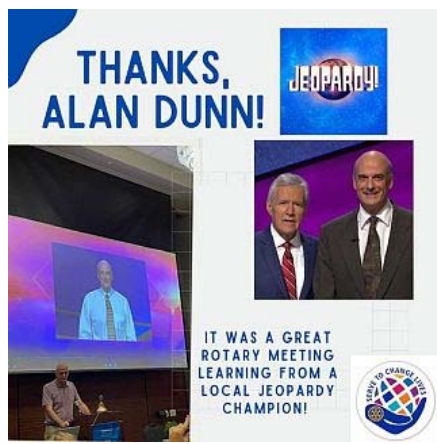

Since 1917, the Foundation has received contributions totaling more than \$1 billion dollars. 90.8% of all donations go directly to supporting service projects.

The Rotary Foundation was created to provide funding for the good that Rotarians do worldwide. Each year, \$100 from your dues is donated in your name to Foundation. You become a member of the Paul Harris Society after you donate \$1000. If you would like to donate on a recurring basis, please visit www.rotary.org/donate. Any accelerated payments will be matched by the club with points to get you to the Paul Harris level or \$1000. Reach out to Joanne for more information on how this is done.

Thank you for your service,
Sonja

Jeopardy

On Wednesday October 27th at our weekly club meeting, we welcomed Alan Dunn, a Jeopardy Tournament of Champions Quarterfinalist living right here in Johns Creek! It was great to learn about his experience on the show and his interactions with Alex Trebek!
