SERVE TO CHANGE LIVES

## President's Notes-September 28th

By Jack Payne on Thursday, September 23, 2021

Fellow Lake Chatuge Rotarians,

This Tuesday will be our last September meeting, and I can't wait until Sergeant Bud tells us how many shopping days we have left until Christmas. Time does fly.

As I announced last week, we will convene an early informal meeting at 11:30 to discuss our garden project, with an emphasis on finding a way to expand club involvement in this, our new signature project. I encourage all who can to attend. We are doing great things with this project, and are eager to expand it, but at this point we have to find a way to involve more of our members on a regular basis.
