SERVE TO CHANGE LIVES

## President's Notes - October 5th

By Jack Payne

Fellow Lake Chatuge Rotarians,

Leading off today is a reminder that Mike Berg, our District Governor, will be visiting our club on October 18th and 19th, accompanied by his wife, Jane. Mike is coming in early and bringing his wife because of his interest in seeing our Community Garden project. Protecting the environment is his personal passion and a significant focus for his year as Governor. We will have an informal social at the garden site on the evening of the 18th, and details will be forthcoming.

It is very important that we show the spirit of Rotary by having a great attendance at this event, and at our board and regular meetings on the 19th. I ask all of you to begin planning now to attend both of these functions. [Read More](#)

## The Two "I"s

By David Tinsley

Good vision involves two eyes. Good vision for our Rotary Club requires two **I's** as well. These two **I's** will help our club to grow and become much better. How? By bringing in new people. As you know, new people mean new ideas, new energy **I** and new friends.

So, remember these two **I's**.
