SERVE TO CHANGE LIVES

DG Mike Berg's Visit

By Jack Payne on Thursday, October 14, 2021

Fellow Lake Chatuge Rotarians,

At this week's meeting we will welcome Rotary District 6910 Governor Mike Berg for the annual Governor's visit to our club. Mike's passion and focus for the district this year is the environment. He and his wife Jane are coming up the day before our regular meeting day to visit our environmentally friendly garden. We will welcome them Monday night the 18th from 5 to 7 PM at our Tower Garden site and serve chili and the fixings.

COVID Safety Message to our club

As we return to indoor meetings, we still have Substantial Spread of COVID-19 in our community. President Jack with the approval of the Executive Committee sent out the following statement to our club members.

As we have been doing for the last year, we will also offer the option of attending this meeting via Zoom. For those attending in person, it will be even more important that we wear masks when not speaking, and attempt to distance as much as possible. We also now know from the data that being vaccinated provides significant protection from serious illness, hospitalization, and death from COVID.

For this reason we are asking that anyone not vaccinated for any reason utilize the Zoom option to attend our indoor meetings. While the COVID infections are trending downward, the virus is still active in our area. [Read More](#)

Upcoming Meeting October 19
