SERVE TO CHANGE LIVES

### President's Notes

By Jack Payne

What a great night we had this week on with our first Thankful Thursday at the Tower Gardens! More than 45 people were on hand during the course of the evening, including many leaders from our community, and everyone was BLOWN AWAY at our new signature service project. Thanks to all who contributed to this great evening. [Read More](#)

### Each One Bring One

By David E Tinsley

In my talk last week on recruiting new members, I handed out brochures that help explain Rotary and our club to potential members. If you were not present last Tuesday, I will give you yours. Just remember: you are not trying to get someone to join Rotary; you are merely inviting them to attend one of our meetings.

When with a person whom you think might make a good member, try to find an opening to ask this question: "Do you like doing things that help people?"

If they affirm or agree, then tell of some Rotary service activity that you participated in that you enjoyed and why.

Then say, "If this is something that you like doing, I would like to invite you to attend one of our Rotary meetings as my guest." Then hand them a Rotary brochure and say "and here's some information on our club."

Contact them after they have read the brochure and once again invite them to a meeting. You might even offer to give them a ride.

Our hope is that each member brings at least one person to a meeting in this 2021-22 year.
