May 10th, 2021 Speaker: Mark Madison

By Chris Taylor Thursday, May 6, 2021

Mark Madison is the Director of Community Impact. He coordinates the Community Impact Grant process and volunteers, oversees 211, and facilitates collaborations with local nonprofits, educational programs, government entities and businesses.

Mark moved to Athens to attend UGA, getting both his bachelor's and master's degrees from the university. With a desire to connect nonprofits in collective work, he started answering 211 calls as a volunteer while in college. He officially joined the staff of United Way of Northeast Georgia in 2016.

Mark serves on the MLK Day of Service Steering Committee, the Family Connection Early Child Care and Learning Strategic Action Team, and other community organizations, lending his perspective and connections wherever he can. Outside of work, Mark is just as likely to spend a weekend camping as he is

reading a good book, but almost every day he enjoys a walk and trying out a new recipe at home.

THE GOLDEN BUCKET AWARDS

Congratulations to the Rotary Club of Gainesville for winning the Golden Bucket Award for most giving and the Rotary Club of Johns Creek for the highest per capita contributions. This was the second year in a row that Johns Creek has achieved this honor and as a result will get to keep their Golden Bucket permanently. Johns Creek has the two highest per capita giving levels ever in District 6910.

Keep in mind that we are still accepting your contributions, as the Rotary year continues through the end of June. So, we still have a great opportunity to do even better. For more information on C.A.R.T. and on how to submit your club's funds, click on the read more

What is CART?

CART is Change for Alzheimer's Research Trust , an organization founded by Rotarians and operated by Rotarians. One-hundred percent (100%) of donated funds go to cutting-edge research to find a cure for Alzheimer's disease.

Club Presidents and Treasurers: Make your Club Contributions by going to the following link, [Login Form \(mycartfund.org\)](https://mycartfund.org) and using your DACdb credentials to log in. Once you are logged in, click on **Make a Contribution** on the left-hand side of the page. If you have a problem, call Gene Windham at 706-781-8176.

An Alzheimer's Disease Quick Fact:

Alzheimer's Disease is the 6th leading cause of death in the US.

Thanks to the Rotarians of District 6910!

District 6910 Rotarians have contributed \$41,880.54 to CART so far this year (2020-2021)! THANK YOU! This is how we find a cure!

Would you like to hear the CART story? Either another CART advocate or I would be honored to present a CART Program to your club.

As Rotarians, working together, we can change lives by beating Alzheimer's Disease.

Remember!

We did great in 2018-2019 and better in 2019-2020. Now, let's do better in 2020-2021???
