Beckley Rotary Club hosts Putt-Putt for Polio as part of a worldwide effort to end the disease  
Published on 10/25/2021

Before joining Kelly, Hunter was the President of the Covington/Newton County Chamber of Commerce where he gave leadership to Economic Development, Tourism, the historic Main Street program, and the traditional Chamber membership of more than 500 members.

Before moving to Covington he spent 11 years in the non-profit sector where he led multiple teams of staff and volunteers with Campus Crusade for Christ. While working with CRU, Hunter and his wife, Shelly co-founded Ute Trail Ranch in Lake City Co. Ute Trail served as a backpacking outfitter for high school and college age students. In college, Hunter worked with Young Life's Wilderness Ranch as a backcountry guide outside Creed, Co.

**Beckley Rotary Club hosts Putt-Putt for Polio as part of a worldwide effort to end the disease**

By Joseph Davidson on Monday, October 25, 2021

BECKLEY, WV (WOAY) ♦ The Beckley Rotary Club is just one of the Rotary Clubs around the world that is making progress towards ending Polio disease. The club is raising funds and awareness against the disease through some rounds of putt-putt golf during their annual Putt-Putt for Polio event in recognition of World Polio Day. The event is being held at the Black Knight Golf Course in Beckley. Since their efforts are going to such a great cause, the club decided to keep the game interesting and have a little fun.

♦Each club kinda has their own ideas on how they do it, we had heard of another miniature golf effort that was being done on another golf course and we decided to do a variation, and so the variation was no putters ♦this is my variation of a putter if you will. But it really is about raising the funds to eradicate this dreaded disease, ♦ says Justin ♦Dan♦ McCarthy, the District Governor-Elect for the Beckley Rotary Club.

The Rotary Clubs around the world began the effort to end Polio back in 1985. With their support, now only two countries still have active Polio cases. For more information on the club ♦s effort to end the disease, you can visit [rotary.org/en/our-causes/ending-polio](https://www.rotary.org/en/our-causes/ending-polio).

**Fulton Rotary Club Raises Funds To Eradicate Polio**

By Joseph Davidson on Monday, October 25, 2021

Above, members of the Fulton Rotary Club and patrons take a break during the event. From left are Kathy Harris, Rotary President Lori Greeney, Nancy Kush Ellis, Brian Allen, Ken Watchus, and Rotary past president and District Governor-Elect Jerry Seguin.

FULTON ♦ The Fulton Rotary Club recently raised funds for the Rotary International campaign to eradicate polio through a fundraiser at Scoops miniature golf and ice cream shop.

Owner Mike Tryniski donated 100% of the proceeds from the event on September 18.

All funds raised at the event at Scoops in Fulton will be forwarded to Rotary International♦s efforts to eradicate the disease. Over the past 35 years Rotary has helped reduce polio cases worldwide by 99.9%. The project is one of many the Fulton club supports.

## Rotary Club of continues tradition delivering pumpkins and smiles

By Joseph Davidson on Monday, October 25, 2021

The pumpkin tradition, which began in 1936, is one of the many local service projects of the 95-year-old noon Rotary Club.

Hundreds of elementary and preschool students came home from school on October 15 with bright orange pumpkins, courtesy of the Rotary Club of Estes Park and the Safeway Foundation. The tradition, which began in 1936, is one of the many local service projects of the 95-year-old noon Rotary Club. This year♦s event organizer was Sue Fereday, Rotary Club♦s Youth Director. Fereday applied for a grant from the Safeway Foundation, which generously donated more than 500 large pumpkins.

She picked up the crates of pumpkins at Safeway and delivered them to Estes Park Elementary School, where she and 10 other volunteers unloaded them, set them up in rows in front of the school like a pumpkin patch, and watched as excited students came out class by class and each student picked the perfect prize.

The 85th Annual Pumpkin Distribution Day had its start in 1936 with Ron Brodie, a former Estes Park mayor and Rotary Club of Estes Park president.

Rotary appreciates the support of the Estes Park Safeway manager and other store employees who helped make the event possible. Rotary volunteers in addition to Fereday included Wayne Newsom, Jim Whiteneck and his wife Carol, Karen and Scott Thompson, Dave Evans, and Beth Weisberg. Russell Lenhart and Lillian Acedo from Fereday's State Farm Insurance office staff also helped.

The 85th Annual Pumpkin Distribution Day had its start in 1936 with Ron Brodie, a former Estes Park mayor and Rotary Club of Estes Park president. According to 44-year club member Tom Maher, Brodie owned Brodie's Supermarket and provided pumpkins for elementary students for many years.

Following Brodie's death, Rotary Club took over the pumpkin project, with the support of Brodie's family and friends.

Following Brodie's death, Rotary Club took over the pumpkin project, with the support of Brodie's family and friends. The tradition has continued so long that some of the parents of the children in this year's event even received pumpkins from this club when they were in school.

## RI President's October Message

By Joseph Davidson on Friday, October 1, 2021

**Shekhar Mehta**

**President 2021-22**

**October 2021**

A quarter of the Rotary year is now behind us. I am sure you are helping Rotary to *grow more* and *do more*. And I hope you have already done your part for the Each One, Bring One initiative by introducing one person to Rotary.

Do you ever think about your earliest days as a Rotarian? I often do because those first moments of discovering the power of service shaped who I am today. When I joined my Rotary club, our efforts focused on India's rural communities, where people were living without toilets, getting their drinking water from the same pond they bathed in, and sending their children to outdoor classrooms set up under a tree. The nearest health care provider often was miles away and the services were inadequate. But after Rotary clubs carried out some service projects, the villages had toilets, clean drinking water, a classroom for early learning, and a nearby health care center.

The spark that Rotary kindled within me forced me to look beyond myself and embrace humanity. It made service a way of life and led me to a guiding principle I still stand by: Service is the rent I pay for the space I occupy on Earth.

If you feel the need to reignite the spark of service in yourself or your club, October Community Economic Development Month is a great time to do so. When we work to improve the lives of people in underserved communities through, for example, projects that provide vocational training and access to financial resources we help build and sustain local economic growth.

The need is great. According to the United Nations, 9 percent of the world's population that's 700 million people, a majority of them in sub-Saharan Africa live on less than \$1.90 a day. By supporting strong community development as well as entrepreneurs, we can help improve conditions for people in that region and others.

Your club can also promote economic development in your own community by expanding vocational training opportunities through local schools and community colleges, partnering with lenders to improve access to financial services, or working with a nonprofit that provides resources to entrepreneurs and connects them with the business community.

Of course, developing strong communities is impossible without strong public health. On 24 October, World Polio Day, we'll celebrate our tremendous progress in the effort to eradicate polio. But we also know the fight is not over. We still need your help raising funds and awareness to ensure that all children are immunized against polio. Please don't forget to activate your clubs on that important day and encourage them to donate here: [endpolio.org/world-polio-day](http://endpolio.org/world-polio-day).

Service has been rewarding for me throughout my life. I know the same is true for many of you. Join me this month in becoming a good tenant of our planet by helping others to better themselves and their communities. Together, we can *Serve to Change Lives*.
