Secretary

Donna S. Wade  
Treasurer

Zack A. Rice Jr.  
Family of Rotary  
Membership Chair

Denise Leeson  
Public Relations Chair

## This week in history: 1940

# Lascaux cave paintings discovered

Near Montignac, France, a collection of prehistoric cave paintings are discovered by four teenagers who stumbled upon the ancient artwork after following their dog down a narrow entrance into a cavern. The 15,000- to 17,000-year-old paintings, consisting mostly of animal representations, are among the finest examples of art from the Upper Paleolithic period.

First studied by the French archaeologist Henri-douard-Prosper Breuil, the Lascaux grotto consists of a main cavern 66 feet wide and 16 feet high. The walls of the cavern are decorated with some 600 painted and drawn animals and symbols and nearly 1,500 engravings. The pictures depict in excellent detail numerous types of animals, including horses, red deer, stags, bovines, felines, and what appear to be mythical creatures. There is only one human figure depicted in the cave: a bird-headed man with an erect phallus. Archaeologists believe that the cave was used over a long period of time as a center for hunting and religious rites.

The Lascaux grotto was opened to the public in 1948 but was closed in 1963 because artificial lights had faded the vivid colors of the paintings and caused algae to grow over some of them. A replica of the Lascaux cave was opened nearby in 1983 and receives tens of thousands of visitors annually.

# Hurricane Dorian Relief Update

By Donald W. Martin (District Governor)

Greetings to all on a spectacular Labor Day in North Georgia. Unfortunately, not all of our friends, particularly those in the Carribean, the Bahamas and even coastal communities of Florida, Georgia and the Carolinas are having the same sort of weekend.

The most pressing need right now is for cash to get relief moving into the Bahamas. The good news there is that not all of the Bahamian ports are damaged so they will be able to get supplies into the country quickly and then ferry them to the most affected areas.

For those of you whose clubs I have visited so far this year, you know that I believe that there is no better place than **The Rotary Foundation** to contribute your funds and have a better chance that they will go through the pipeline and come out on the other end exactly where you intended. That is absolutely true in this case. Your donations will be going through Rotary and managed by Rotary and Rotarians on the other end.

The most pressing need right now is in the Bahamas; however, this fund will be available to assist all communities in all of Zones 33 and 34 if they should need assistance as a result of this storm.

Here is a link to where you can donate directly through a special Rotary Relief Fund: [Hurricane Relief](#)

Please pray for our friends and families in harm's way and then prayerfully consider getting out your checkbook and becoming a Rotarian of Action.

Hans A. Meier II  
Assistant Governor

### The Four-Way Test

Of the things we think, say or do...  
Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

Thanks in advance for your attention to this very urgent matter.

## Have a Blessed Day,

Don

**Don Martin**
