## Upcoming Programs

### Upcoming Virtual Club Meeting-Kentucky Derby Celebration

While COVID-19 has forced the postponement of the 2020 Kentucky Derby, we are still excited to celebrate our efforts in supporting our local charities. In addition to celebrating and recognizing our dedicated jokeys, owners and teams, checks will be presented to FoodFinder, Good Samaritan Health Center and Mosaic Georgia.

Please join us as we host another virtual club meeting this week and will continue doing so until we are able to gather together in person. Meetings will be from Noon ♦ 1 p.m. so grab your lunch and log into the meeting so we gather

together.

To participate, registration is required. For best results, please **COPY** the link below and **PASTE** it into your browser. Upon completion of registration, you will receive a confirmation email containing information about joining the meeting. If you are new to using Zoom, we encourage you to connect at 11:45 a.m on the day of the meeting. If you have any technical problems when connecting, you can call or text Tom Upchurch at 865-250-1141 or Mark Willis at 404-518-1894. Tom and Mark will also be available between now and Tuesday if you would like to do a one-on-one test to make sure you are comfortable connecting. Just let them know if you would like assistance.

**Register in advance for this meeting and future meetings. You only need to register once and you will have access to all future virtual club meetings:** [zoom.us/meeting/register/upEtcumrjpkpZS9PSpzK6C0uYnjcOFo6w](https://zoom.us/join/zoom/register/upEtcumrjpkpZS9PSpzK6C0uYnjcOFo6w)

Here are some tips from Tom for using Zoom:

1. To see and hear everyone and for everyone to see and hear you, you need a computer linked to the internet, video camera, speakers and microphone (a typical laptop, smart phone or iPad has all this built in). If you don't have speakers and a microphone, you can use your telephone to listen to audio and talk to others while watching visual material on the monitor. If you don't have a video camera, you can still do and see everything except no one will see you.
2. To enter the zoom session click: the meeting link. (if this doesn't open the meeting, copy the address and paste on the browser address line).
3. When the Zoom screen opens click "open Zoom Meetings" as instructed.
4. After a minute or less, you should see some content on the big screen and a little screen will pop up asking which audio you want to use.
5. If you have microphone and speaker on your computer, select "Computer Audio". Then choose "Join with Computer Audio" and you are ready to go. If you don't have a microphone and speaker on your computer, select "Phone Call" Then dial any of the phone numbers that pop up and be prepared to give the meeting ID when asked. Then you can listen to everything on the phone. Be sure to click "done" in the box after you have set up the phone call (I usually write the phone number and meeting ID on a piece of paper in case the phone connection is lost and I have to redial).

## Recap of last week

### Recap of Last Week's Meeting: Courtney Trimble

We were privileged to hear from Courtney Trimble as our speaker for this meeting. She has won the Gwinnett County Female Golfer of the Year three time, as well as being recognized as All-SEC from Auburn University. She has played in two U.S. Opens, and is a member of the 2002 victorious U.S. Curtis Cup team. She was an NCAA first-team All-American at Auburn University where her team finished 2<sup>nd</sup> in the NCAA Championship, and she was a member of the Futures Tour and LPGA feeder tour. She has since been involved in coaching. Courtney spent 3.5 years as an assistant coach at her alma mater where she helped coach the Tigers to the 2006 and 2009 SEC Championships, mentoring 3 first team All-Americans. She was inducted into the Gwinnett County Sports Hall of Fame a few years ago.

Courtney has retired from coaching since last June and discussed her success with us. She believes keeping to her core values has been instrumental in her success. One of her core values surrounds the mindset that she plays to win. She explained that this core value is not necessarily inherent in people and has to be taught. Never assume that people want to be great.

Courtney's second core value she discussed centers around how we treat other people at all times. Volunteers, staff, etc she believes that treating people correctly translates to better luck, no matter how you finish. She also emphasized the importance of looking for people in your organization with these core values. This ensures a more successful team.

Thank you so very much for your discussion, Courtney. We are grateful for all you shared and enjoyed being with you today.

### Program Speakers Needed

Start putting on your thinking caps! Each member needs to think of people in their contacts who might have new and interesting subjects in science, business, education, public-awareness, charities, politics, literature, entertainment, etc. Send speaker suggestions to our new Program Chair, Scott Jordan.

In addition, if you would you like to participate in a roundtable discussion of what our club members have learned about working remotely, please let Scott and Terry know that too. Many thanks in advance for your input!

For those who were the highest bidder, winning your item(s), please contact Mark to make arrangements for pickup. He said that they are finalizing numbers, amounts of cash donations, etc. and we plan to present our proceeds to the charities during the June 23rd meeting. Thank you to everyone who contributed to the success of our 3rd Kentucky Derby Fundraiser!
