## The Four Way Test

*Of the things we think, say and do*

**First:** Is it the TRUTH?

**Second:** Is it FAIR to all concerned??

**Third:** Will it build GOODWILL and better FRIENDSHIPS?

**Fourth:** Will it be BENEFICIAL to all concerned?

## SPEAKER BIO

**Matt Kunz has built teams around ideas all his life. From the age of six he recruited his friends to build tree houses and run sporting events. As a boy scout, he ran his troop for two and a half years before achieving the rank of Eagle. He challenged his football coaches as a walk-on at the University of Notre Dame. He did the same to a CEO of a Fortune 500 company. He worked for, owned, and consulted with small businesses. He coached football for seven years. He has given speeches in front of crowds as large as 18,000 people. He ran for public office against a sitting incumbent and won. He started church committees and spent three years as the president of a high achieving non-profit. He governed on a City Council of 37,000 residents for eight years, helping manage a budget of \$25,000,000. He has gained a lot of wisdom with his hands-on leadership experience, learning from his mistakes and his successes. [Controlled Chaos: From Idea to Impact in 10 Simple Steps](#) is a compilation of those lessons. It will guide you to make an impact in the world today.**
