Weekly Bulletin for September 13th 2021

Speaker

Kayla Bergeron worked in the North Tower of the World Trade Center on September 11, 2001, as a high-ranking official at the Port Authority of New York and New Jersey. She was at her desk on the 68th floor when she felt the building lurch forward. The ensuing effort to escape down the only passable stairway took almost an hour, and was made nearly impossible due to challenges faced during and after the collapse of the building. Kayla will speak about her 9/11 experience of survival, the struggles she faced as a result of Post-Traumatic Stress, and how her journey has come full circle in helping others dealing with trauma and addiction.

Upcoming Meetings & Socials
