No Meeting This Week

In recognition of Memorial Day, there is no scheduled meeting this week.

Join us next week as we welcome Jason Shaw from the GA Public Service Commission.

Rotary Clubs of Macon Hunger Relief

On Saturday, May 30, the Rotary Clubs of Downtown Macon, Macon, and Macon North will partner with Middle GA Community Food Bank and World Changers Church for a drive-thru food distribution event.

Event Timeline:

8:30 AM ♦ Biscuit Breakfast and Sign-In

9:00 AM ♦ Begin packing food boxes

11:00 AM ♦ Begin food distribution. Cars will enter the World Changers Church parking lot and drive through the line. A volunteer will ask a few questions about the number of people in the household. A volunteer will place the food box in the backseat of the car or the trunk. The car will exit the parking lot.

12:00 PM ♦ Lunch will be served to volunteers.

2:00-2:30 PM ♦ Clean up. (We anticipate all of the food will be distributed at this point.)

3:00 PM - End of event.

Location:

Event: World Changers Church, 630 Wimbish Road, Macon

Volunteer Parking: Northminster Presbyterian Church, 565 Wimbish Road

Volunteer Info:

Two shifts of 25-30 people will be needed to make the event a success. Shifts run from 9:00 AM-12:00 PM and 12:00 PM to 3:00 PM. To Sign Up: <https://forms.gle/TuDNe3T3av5Rn7bKA>

Friends and family are welcome.

Rotarians, please wear your Rotary t-shirts and/or hats.

Safety:

Disposable gloves and masks will be provided.

Social distancing will be practiced.

If you have any questions, please contact Horace Holmes, Jr. at hholmes@worldchangers.org.

Looking forward to seeing you all at this great event!

Isabelle Magnin, Director of Innovation for Navicent Health, spoke to us about innovation in healthcare. She talked about how Navicent is focused on innovations in the efficiency of health care delivery, as well as in business model improvement. Navicent uses partnerships and an innovation funnel to find the "sweet spot," i.e., where customer wants intersect with available capabilities. She shared a number of incremental innovations that have been precipitated by the COVID pandemic.
