Lynn Durham**

### **Special program information from Past President George Lee**

As the introducer of next week's program, I thought it would be good to briefly tell you what it will be about... this as we begin a new Rotary year with more great programs!

Presenter Lynn Durham is the President and CEO of Georgia CORE, the Georgia Center for Oncology Research and Education. It is a state-sponsored non-profit with the mission of advancing cancer care through partnerships and innovative action.

Certainly, to increase cancer care and survival rates is a most worthwhile goal. Come hear what this group is doing toward that end.

I hope to see you this coming Monday!
