President Elbert ran the bell to open our meeting. He called on Ty Ivey for the Prayer and the Pledge of Allegiance.

President Elbert reviewed members birthdays and called for CART Brags. He reminded members we are behind on CART Brags and collections, so members need to get ready when we go back to in person meetings.

President Elbert told those attending the COVID numbers are starting a downward trend and he hopes it will continue.

Josh Rogers, Program Chair, introduced today's speaker, Joe Cook, author of Ocmulgee River User's Guide. Joe a graduate of Berry College is Paddle Ga Coordinator, Coosa River Coordinator, a nature and landscape writer and photographer.

Joe Cook began by thanking The Peyton Anderson Foundation for allowing him the opportunity to write his book about the Ocmulgee River. Copies of Ocmulgee River User's Guide are available at Ocmulgee Outfitters and at the Peyton Anderson Foundation.

Joe Cook, thru the GA River Network has been establishing water trails in Georgia. The Ocmulgee River is the longest trail in Georgia. Joe presented his program with stories from the past about rivers in Georgia. He presented stories from his book.

Joe told of the Atlanta water wars starting very early with Atlanta damming streams to provide water for Atlanta factories. This created lawsuits from cities below Atlanta. The Ocmulgee gets its water from these streams and is created with the damming of Lake Jackson.

The Stribling Bridge over the Ocmulgee in Macon got its name from Young Stribling the famous boxer that was killed in a motorcycle accident.

Stribling obituary: <https://www.riversidecemetery.com/records/interment/?InterID=6407>

Macon Kraft Co which opened in 1948 was a big polluter of the Ocmulgee in the early years and it was part of the argument to create jobs or not pollute. Cleanup was complete in 1972 when cities began to realize they could have jobs and clean water at the same time.

In the early 1900's business leaders were pushing for steamboat access up to Macon on the Ocmulgee. In 1904 a group of Macon leaders planned to attend a meeting in Hawkinsville to promote clearing the river for steamboats to Macon. They got on the steamboat in Macon headed for Hawkinsville but only made it to Bullard's Landing before having to catch a train to Hawkinsville to make the meeting on time. The Ocmulgee was never navigable all the way to Macon by steamboat.

President Elbert closed the meeting with members reciting the 4 Way Test.

## Club Membership Applications

Our club is using a new online (no paper) membership application. Contact Membership Chair Kris Vaughn <mailto:krishvaughn@gmail.com> or any board member or officer or the Club Administrator. All we need is the potential members name and email address to send an application to them for the potential member to complete and submit online.

All members of our club need to think about who would make good Rotarians. There are many classifications that could be filled. If you know of someone, check with Kathryn Dennis, Classification Chair first to make sure there are no conflicts with other members. The process is easy and rewarding to bring in new members.

### Excused Absence

Members have the opportunity to receive a board approved Excused Absence during a long-term family, health, or business crisis. When a member realizes they have a situation that will keep them from attending Monday meetings for an extended period they can contact the Club Administrator or President with the reason. This contact needs to be immediate and not after the crisis. The board can approve a beginning and ending date and attendance is excused on club and district level. Short term absences are best made up online as indicated below.

## HOW TO MAKE UP MISSED MEETINGS

Please make up missed meetings to help our club's attendance percentage rank with District 6920 and Rotary International. Our attendance is reported each month to the district and is required to be reported before the 15<sup>th</sup> of the following month. **Members are required to maintain an attendance average of 60%.**

Missed meetings must be made up **14 days before or after the meeting you miss**, it is in our club's Constitution!

You can make up from the comfort of your home or office online at <http://rotaryclubone.org/> They will email a notice of the makeup to the Club Administrator and you will be credited.

When you make up using the **Zoom link** of our meetings listed in meeting summary above or makeup in person at another club please send an email immediately afterwards to the Club Administrator, [cecilcoke210@gmail.com](mailto:cecilcoke210@gmail.com) so your makeup can be recorded. Do not expect the club where you make up to report to our club.
