TODAY’S SPEAKER

Carol Baker
District 8 Women’s Leadership Committee Chair Farm Bureau

My name is Carol Baker and I am the daughter of a Northwest Tennessee Farmer. The Baker Family has been farming since the 1700’s and helped settle Hickman County, TN while it was still Indian Territory. I grew up on a 2000-acre row crop, beef cattle and swine operations in Obion County, TN. We added chicken breeder houses for Tyson in 1998. I am the 3rd daughter out of 4 children (3 girls and a boy). We grew up showing pigs at the County Fair and working on the family farm. I worked the summer that I turned 16 driving grain trucks for my dad to help pay for my 1st car. I returned to the farm in 1998 with my daughter Alex to help with the Breeder Houses and egg production. Farm Bureau has been a part of my life for as long as I can remember. My parents served on the Board Directors for the Obion County Farm Bureau since I was a little girl. Once all the kids were either grown or in college, Mom started serving on the State Women’s Committee.

I started working for Tyson Foods as a production supervisor in 2002 in the further processing department. In 2006, I was promoted the production manager and moved to Perry, GA to work in the Vienna, GA Plant. In 2008, I changed jobs and went to work for Perdue Farms to help run the Chick-fil-a department. My son, Matthew, was born in 2009.

Once Matthew started pre-k in 2015, I started volunteering with the Houston County Farm Bureau when I discovered the children in my son’s class thought that it was gross that their milk came from a cow. I love being able to share my passion and love for what my family has done for generations. I never understood how strong my passion for agriculture was until I started volunteering with Farm Bureau and being a part of Agriculture in the Classroom. I was honored to be asked in 2017 to join the Georgia Farm Bureau Women’s Committee and to receive the National Ag in the Classroom Agriculture Advocacy Award. My mother, Brenda Baker, and I are the only mother daughter team serving State Women’s Committees in separate states.

The next part of my journey will start in July and I am beyond excited. I accepted a position with the Bibb County Board of Education to be the Ag Teacher at Heard Elementary. I will get to teach children in K-5th grades all about agriculture and what our farmers do to feed the world. I am so thankful for the relationships that I have made serving on the State’s Women’s Committee and being a part of the Farm Bureau Family that I have been raised in. I look forward to continuing to work with my Farm Bureau Family.
