Savannah Casa

Savannah/Chatham County Court Appointed Special Advocates (CASA) recruits and trains volunteers to advocate for the best interests of children who have experienced abuse and neglect. ?

CASA takes a holistic approach to ensure the child's psychological, physical, educational, and other needs are met while advocating for permanency in the child's life. CASA volunteers work tirelessly to reduce the amount of time a child spends in foster care by working closely with the Department of Family and Children Services and the Juvenile Court. Studies have shown that a child who is appointed a CASA volunteer spends less time in foster care, has fewer placement disruptions, and performs better in school.

Our vision is a community where every child who has experienced abuse or neglect is given the opportunity to thrive in a safe and loving home.

Join us Tuesday August 10th for our Club Assembly. In preparation for our meeting the club would like each member to submit 3 suggestions to the board no later than Tuesday the 3rd for how the club could better suit them and provide for a more positive experience. Please attend The

10th meeting as we will use that time to make sure that Rotary South has a purpose and direction for our 2021-2022 year.

Club Secretary

With the withdraw of Mrs Ogden as secretary for the 2021-2022 President Mike will be seeking club approval for his recommendation of Lisa Harrington as our new club secretary at the September 27th meeting.

Bring a friend

Congressman Buddy Carter will be joining us on August 17th. We would love to pack the house for his presentation and this would be a great meeting to introduce prospective new club members.
