Members on the move-

Krystal McGee - Krystal was a keynote speaker during State Representative Carl Gilliard's commission meeting regarding "Increase the Peace" in Chatham County. Krystal shared her idea for "Under Cover" mentors to be placed at events at the YMCA as well as throughout the community. Krystal shared success she had with previous initiatives that she spearheaded similar to this in the past and the impact it had on those that it reached. These mentors would get involved with the youth in the places they are at. Share with them positive opportunities for their lives and be a buffer between them and the streets. Krystal spoke to her desire to make a positive change in the youth as part of her services to our area.

You can follow Krystal and others in our Rotary club as they continue to work as part of this plan by following them on FaceBook <https://www.facebook.com/CCGPIC>

This past week Savannah South welcomed Kayla and Gabby from Savannahs Prohibition Museum. We learned about the history of how it became one of the most visited stops to tourist as well as all it offers including a Speak Easy that is open to the public after 5:30 Monday-Saturday as well as its offerings of Cocktail Classes for both public and private events. *Pretty sure we will see a social event here soon!!*

GRSP-

We are excited to have selected a GRSP student for our club to host for the upcoming school year. Lisa Birch and Mike McCann and volunteered to host this student. Look for next months greeter as we introduce you to our newest member

Lunch Committee-

As we have spoke about in the meeting, we are currently exploring the opportunities for changing venues for our meetings. A committee of Tom Hussey, Rebecca Page and Jackie Ogden have volunteered to research and report back alternative options for the club. If you have any ideas for them please send them that info as well as contact information if you have any. We will review this at our July board meeting and follow up with the club.

Lynn Hadwin Memorial Fund-

Please remember that we have started a fund in memory of Lynn for our GRSP students that may incur addition expenses that their tuition does not cover. As you all know many times Mr Hadwin would support these extra expenses for our students out of his own pocket and we would like to honor him by keeping his tradition. If you have any questions on how you can contribute or ideas for the committee to review, please reach out to Steve Lewis or any of our other committee members.

A copy of the comission for this fund is avialible on DacDB or you can click [HERE](#) to view.

District Assembly-

SERVE TO CHANGE LIVES

The district assembly will be back to in person this Saturday in Dublin Ga. Multiple members from our club plan to attend and we look forward to bringing back exciting updates from the district.
