For more than 30 years, the Boys & Girls Clubs of Martin County has provided award-winning programs designed to guide and inspire young people ages 6-18 to learn, grow and mature in route to becoming successful adults. Each of the clubs enjoys strong partnerships with local schools and communities. Such cohesion ensures that Boys & Girls Clubs programs complement and enrich the curriculum our members learn in class as well as remain attuned to the challenges and

opportunities they face on a day-to-day basis. The clubs offer opportunities for fun, fitness, S.T.E.A.M. activities and certified teacher work with club members on everything from tutoring and homework help to specialized courses. Swim Lessons have been a big hit this summer. The Clubs have provided food to club members and their families. They have served over 87,000 meals in the last few months. Carrabas and Goodfellas are 2 of the local restaurants that have been helping. During the school year, our AmeriCorps members served more than 750 middle school students and 545 elementary school students. We are incredibly grateful for their hard work and dedication to BGCMC.

Shawn mentioned that we could help by playing in their golf outing in October. For more info on Boys and Girls Clubs in Martin go to www.bgcmartin.org.

Tip of the Month from District 6930

Welcome to the new Rotary Year!

As newsletter editor, I want to offer all clubs an opportunity to appear in the monthly district newsletter. Usually I find items from clubs' Facebook pages, but there are some clubs who send me items directly. If you wish, please send me the article, and a separate JPEG by the 25th of the month...

send to jomeaker51@gmail.com.

As the District's public image chair for 2021-22, I offer my services to you. If you are in need of a logo, suggestions, ideas, please don't hesitate to ask. During the last six

SERVE TO CHANGE LIVES months I've been sending logos to you, but moving forward I won't be doing that unless you ask.

Please be aware that Rotary International is strongly promoting the use of the newer brand. These can be found by logging into My Rotary and going to the Rotary Brand Center. The Handbook can be downloaded [HERE](#).

Lastly, now is the time to be sure your club's website and social media pages are updated and that more than one person in your club knows the login and passwords.
