Club Member Anniversaries

Rotary News for September 2, 2021

By David Shoaf

Chris led the pledge and Sue offered the prayer.

Chris announced the club had received a letter from Hap and Jane Mills that they are doing ok. They plan to lay low until the COVID situation and other health issues decline. Best to all.

Rotary Foundation Goal Set

Kathy said that the club has set a goal of \$3400 for giving to the Rotary Foundation. This includes all gifts including the annual fund. After 3 years 50 percent of those funds come back to District 6930 and are available for local community projects. You can donate weekly, monthly, or annually whichever is more convenient for you. More info on giving is available on www.MyRotary6930.org.

These funds can be applied toward your Paul Harris award as well. See Kathy for more information or help with your giving plan.

Happy and Sad

Sue introduced Rotarian Ed Curtin who was visiting from Erie, PA.

Our sergeant-at-arms offered a happy buck for Carol, our speaker, who shares a birthday with Sue. We had vacation reports and the beginning of football bucks season. The chatter started with the Patriots and ran through most of the ACC and SEC conferences. Tom Brownell joined the Medicare Crowd by turning 65 and gave a birthday check to the Foundation. He also announced he was swimming a mile a day! Dollars flowed for the Mapp Road dedication on the 28th where member Dr. Rex Sentell was praised for over 20 years of persistence and leadership for the Mapp Road improvements.

United Way Has Been Providing Leadership for Almost 50 Years!

By David Shoaf

Carol Houwaart-Diez filled us in on the role the United Way is playing in Martin County's life during these perilous times. The United Way is working as a clearing house for programs and dollars for our area. The 2021-22 programs funded education, health, and financial stability needs in more than 30 organizations.

The needs of our 160,000 residents are growing by the day!

School Supplies was a recent success. Over 50 volunteers packed pencils, paper and other supplies for every student in our community.
