Weekly Meeting for November 11, 2021

By Beth Brownell

Meeting was brought to order by President Chris.

The pledge was led by Dave Shoaf and the prayer offered by Hap Mills.

Announcements

Stuart Sunrise Rotary Charity Tennis Tournament committee will meet at Mike Costopoulos's house next Wednesday at 6:30pm. Contact Mike if the gate code is needed.

The 12/2 meeting will be a club assembly, to brainstorm ideas for the club. Bring ideas and opinions!

Habitat for Humanity painting workday has been rescheduled for Saturday 11/20. Contact Roc if you would like to volunteer.

The language for the sign for Water for South Sudan has been finalized:

Clark Interact Club

Florida - USA - 2022

November is Rotary Foundation month. Every Member Every Year is the goal, which will help the club be successful in obtaining grants. The Foundation transforms the donations into service projects that change lives both close to home and around the world. Kathy has the form if one is needed. Donations can be made online through the RI website and recurrent automatic deductions can be arranged.

The club wreath for the Tykes & Teens Festival of Trees&Lights has been completed.

Kathy is accepting donations for the club tree for the Martin County Fairgrounds Carnival of Lights, which begins 11/26.

Happy Dollars

Many dollars were given in thanks to all those who currently serve and who have served in our military. Debbie Kohuth thanked the four Interact students for coming to the meeting on their day off from school. Plus, it is Debbie's birthday! Valerie and Justin will be purchasing their first holiday decorations (and a ladder). HB reported on the Honor Flight he participated in this week, the first in two years. Jane thanks those who came to her house to place labels in the dictionaries.

Clark Advanced Learning Center Interact Club

By Beth Brownell

Debbie Kohuth presented four Interact Club members, all of whom are Nation Honor Society members. The Interact Club raised enough funds to send two veterans on a future Honor Flight.

September and October were spent raising funds for our club's Water for South Sudan project and the interact club was able to collect \$1455 to contribute to the effort! Coin drops, Waterfest games, and giveback programs with local restaurants are among their fundraising activities.

Joe Arias, club president, is a senior and plans to study music therapy in college. Helping people with music and psychology is his goal. His role in the club is to keep the club moving forward.

Abe Zbir, club president elect is a senior and plans to study business, specializing in supply chain issues. His role in the club is to set goals, help with fundraising plans, and engage with new members. Abe has many hours of community volunteer experience, including Florida DOH vaccination clinics.

Elizabeth Michels, club secretary, is a member of the Science Honor Society and has spent 14 years involved in taekwondo. She currently volunteers teaching taekwondo students. Elizabeth has been doing research at IRSC in the area of the Florida citrus virus, which has decimated the state's orange crop. Elizabeth was involved in creating 30 food Thanksgiving food baskets for clients at Elev8 Hope. She plans to study genetics.

Susan Michels volunteers with the Leukemia/Lymphoma society and plans to study biomedical sciences.

50 - 50

Sue Whittington pulled the King of Clubs. \$86 will roll over to the next meeting.
