Photographers: **Jack Fenster, Linda Nelms**

Club webmaster: **Gerry Nelms**

6 AREAS OF ROTARY FOUNDATION DR ANNE MATTHEWS PDG

Dr. Anne L. Matthews is an educator by profession, a published author, an education accreditation commissioner, and public speaker. She has spoken in all 50 states and 72 countries on educational issues and/or the Rotary Foundation.

A member of the Rotary Club of Columbia East, she served as Governor of D7770 in 1999-2000. Her list of accomplishments in Rotary is amazing and she has all been devoted her life to Rotary's various programs.

Anne spoke to us about the 6 Foundation Areas of Focus (and there is soon to be a 7th focus on Environment—can you say Climate Change?) These 6 areas are:

- Preventing Disease
- Providing Clean Water
- Supporting Education
- Growing Local Economies
- Saving Mothers and Children
- Promoting Peace

Anne combined Poverty, Hunger, and Health together because ill health is a product of poverty and illiteracy. She had some astonishing statistics:

- ⇒ 45% of the world lives in extreme poverty
- ⇒ 13 million people starve every year, and 20,000 children die each DAY
- ⇒ 66% of the children who die every year could be saved by decent health care
- ⇒ 600 million people worldwide do not have access to clean water
- ⇒ 25,000 people die yearly from waterborne disease

Anne has been 5 times to Ghana and to over 70 countries representing Rotary. In Ghana, women walk 5 miles to get water today and carry it back home on their heads (and this is not clean water either). She said it is often predicted that WWIII may very well be fought over water insecurity.

Another topic is literacy. Bill Boyd, RI President, says that literacy is an escape hatch from poverty. The greatest predictor of your health is your literacy level. With low literacy skills, you have 4 times as many health issues. Over 20% of the world cannot read or write, not even to sign their name. The majority of these are women.

Anne chairs the Polio Advocacy committee and said there are only 2 country's left with Polio: Afghanistan and Pakistan.

Anne is a shining star of a Rotarian!

"Rotary Foundation gives value to lives and hope where none exists"
