## WE'RE BAAACCCCKKKKK!

By Suzie DeBusk

President David Ryan, in the downhill run to the final few weeks of his term as our leader, opened the meeting for the first time since late in March. There were 23 attendees, all sitting apart, with just a few to each table. In addition, with the Herculean efforts of Jack Fenster and Stephen Long in setting up the technology, there were about 12 attendees on the Zoom meeting, sharing in the comradery from afar. Those

of us who were Zoomer Boomers (as Michael Holiday expressed it) were able to see and hear the speakers at the podium .

In lieu of a speaker, individuals members came to the podium to share stories of their quarantine/lock-down experiences.

- Pat Bouchard—made over 200 masks and donated them to hospice, Melbourne Dialysis, the infusion center and several other places. Assisting in this endeavor by providing supplies etc, were Jean Hender and Renie Adams.
- David Ryan and his daughter would go on a drive every day and visit the peacocks on South Merritt Island
- Ben Glover won the “crazy adventure” award. He had been fishing in Chokoloskee (Everglades) with a friend when they ran into a stump and they lost the motor. With no cell service, they were poling for 4 hours and Ben made a sail out of his rain jacket. They were facing a night on the water (with a soon to be empty bottle of Tequila their only sustenance) when they were rescued by a famous fishing guide named Ray van Horn, The Gypsy Angler. They were towed by Ray for 1.5 hours to port. Amazing story and so glad to hear they were rescued from a Tequila hangover. (Well, they may have still had a Tequila hangover, he didn't elaborate. LOL)
- Jay Anderson celebrated a birthday with a socially distant block party. He hired a 1 man band to walk around his cul-de-sac and play. Jay had set out shots for his neighbors at the end of each driveway and had some snacks available. The cops showed up for a bit ,too!
- Bobbi Johnson—went to breakfast at a restaurant in Palm Bay where the owner had breakfast in to-go boxes but had tables outside for people to eat there.

From the Zoomer-Boomers,:

- Howard called in from Massachusetts where they had gone to sell their home. It was all done electronically and everything went through without a hitch.
- Stephen Long—has been working on setting up his classrooms and still found a way to file multiple patents on his home wind turbines.

Everyone had a great time reconnecting and are glad to be back to the “new” normal.

### Comments:

- WalMart is asking customers to wear face masks. That's rich—you can't even get some of them to wear pants!
- What doesn't kill you gives you a set of unhealthy coping mechanisms and a dark sense of humor
- The man on the news said that at the end of the day what will keep you safe is to use your common sense.....Some of you are in trouble.
- Just burned 3000 calories! That's the last time I leave brownies in the oven while I take a nap!
- I might just sleep on the sofa to cut down my morning commute

Wife: Did I get fat during the quarantine.

Husband: You were never really skinny!

## EREY PROGRAM ANNUAL CONTRIBUTION

**We need your contribution this year. It's \$100.**

All Rotary members are **EXPECTED** to make an annual contribution of \$100 to the EREY program. \$100 will be matched by the club toward a PHF or Multiple PHF. Our grant money is conditional on how much we give to the Foundation. Please contact club Foundation Chairperson, Larry Cinco, for more information at: [larryc@mrirecauter.com](mailto:larryc@mrirecauter.com)

Your Donation to the Annual Fund is invested for 3 years where the growth supports the operations of the Foundation. After 3 years, the funds are divided between World Funds (Trustee discretion) which include Global grants and programs and District Designated Funds (District discretion) including District Grants and Global Grants. ***This is the only foundation in the world where 100% of your investment goes to support Rotary programs both local and global.***

**(Hint: Use your \$25 weekly savings not attending the EGYC)**
