PDG MARSHALL BUTLER

By Suzie DeBusk

On July 1, Marshall M. Butler, Past District Governor and member of the Jacksonville Rotary Club will be taking the role of Public Image Coordinator for Zone 34 for Rotary International. This zone includes Georgia, Florida, and the Caribbean Island Rotary Clubs. Marshall has served in many capacities for Rotary and is passionate about telling the Rotary story.

One thing Marshall is known as is "Fancy Pants" and he told several stories about his crazy pairs of trousers he frequently wears, including a bright plaid pair he wore in his first meeting the John Germ, who was RI President during Marshall's tenure as District Governor in 2016-2017. John was concerned that Marshall's taste might clash with the RI DG blazer selected for that year. He also has developed and promoted a pair of trousers with the RI logo embroidered on them. Not a huge seller, but will definitely generate lots of questions accompanied by a few raised eyebrows. He must have a very understanding wife.

Marshall has a team of 5 working with him as Assistant Image Coordinators and expressed that public image is much more than social media, although that is a big part of it. He said some of their initiatives are to educate and teach clubs to do things that can be used at Rotary, basically how to market.

He said it is critical that Rotary clubs adapt and he was very complimentary of our club for providing the hybrid approach (thanks again to Stephen Long and Jack Fenster) of using face-to-face and Zoom technology to allow for as many as possible to attend. He said he's mentioned our club specifically in webinars and meetings throughout the world for how we are leveraging technology to keep as many people as engaged as possible. He said feel free to email him with questions, suggestions, or comments at: marshall@rotary6970.org

ROTARIAN MAGAZINE—APRIL 2020

Check out this article on what the use of plastic is doing to our environment: <https://www.rotary.org/en/welcome-to-plasticville> A few things you can do:

Pack your own toiletries when you travel instead of using the small plastic bottles in hotel rooms — or look for hotels that provide soap dispensers instead.

Carry a refillable water bottle and decline the free ones offered at meetings.

Bring takeout containers to restaurants so you can avoid using plastic foam to carry home your leftovers.

Wear microplastic-free sunscreen and cosmetics. Go to beatthemicrobead.org to find out which ones are. Buy soaps, shampoos, and lotions in bar form instead of in bottles.

EREY PROGRAM ANNUAL CONTRIBUTION

We need your contribution this year. It's \$100. This is the LAST week you can do this so Cowgirl UP!

All Rotary members are **EXPECTED** to make an annual contribution of \$100 to the EREY program. \$100 will be matched by the club toward a PHF or Multiple PHF. Our grant money is conditional on how much we give to the Foundation. Please contact club Foundation Chairperson, Larry Cinco, for more information at:

larryc@mrircruiter.com

Your Donation to the Annual Fund is invested for 3 years where the growth supports the operations of the Foundation. After 3 years, the funds are divided between World Funds (Trustee discretion) which include Global grants and programs and District Designated Funds (District discretion) including District Grants and Global Grants. ***This is the only foundation in the world where 100% of your investment goes to support Rotary programs both local and global.***

CORONA WITTICISMS

It's been such a joy being home with my wife these last 6 weeks. We've caught up on all the things I've done wrong for the past 30 years.

To all the grandparents who are missing their grandchildren, when this is over you can have them for a month. Promise.

People keep asking, "Is COVID-19 really that serious?" Listen up. Casinos and churches are closed. When heaven and hell agree on the same thing, it's probably pretty serious.

If you receive an email with the subject line "Ding Dong", don't open it. It's a Jehovah's Witness working from home.

Wearing a mask inside your home is now highly recommended. Not to prevent COVID-19, but to slow down your eating.
