### ROTARY IHE DELFT NETHERLANDS PDG BAUKE BOERSMA—DISTRICT 1570

By Suzie DeBusk

Our speaker this week was PDG Bauke Boersma from the Netherlands District 1570. Bauke was DG in 2018-2019 and was a classmate of our own PDG, Julia Babbitt. Bauke told us about the strategic partnership between The Rotary Foundation (TRF) and IHE Delft Institute for Water Education.

This partnership aims to tackle the world's water and sanitation crisis by increasing the number of trained professionals to devise, plan, and implement solutions in developing and emerging countries.

Through this partnership, a limited number of scholarships are awarded annually for graduate students at IHE Delft Institute for Water Education's campus in the Netherlands. These scholarships are designed to promote long-term productive relationships between Rotarians and highly skilled water and sanitation professionals in their communities and are for the 18-month Master of Science degree programs.

The specializations of the following IHE Delft MSc programs are eligible for a 2020-2022 Rotary Scholarship:

- Water Management and Governance
- Urban Water and Sanitation
- Water Science and Engineering

Since 2012, 117 IHE Delft students from 31 countries have been sponsored representing a total investment of \$6.2 million. Another interesting fact is that 80% of the graduated students return to their home country, continuing to work in the water sector and also become involved with local Rotary clubs.

## EREY PROGRAM ANNUAL CONTRIBUTION

**We need your contribution this year. It's \$100.**

All Rotary members are **EXPECTED** to make an annual contribution of \$100 to the EREY program. \$100 will be matched by the club toward a PHF or Multiple PHF. Our grant money is conditional on how much we give to the Foundation. Please contact club Foundation Chairperson, Larry Cinco, for more information at: [larryc@mrircruiter.com](mailto:larryc@mrircruiter.com)

Your Donation to the Annual Fund is invested for 3 years where the growth supports the operations of the Foundation. After 3 years, the funds are divided between World Funds (Trustee discretion) which include Global grants and programs and District Designated Funds (District discretion) including District Grants and Global Grants. ***This is the only foundation in the world where 100% of your investment goes to support Rotary programs both local and global.***
