## KIMBERLY CARROLL GLOBAL WOMEN EMPOWERMENT WEBINAR

By Ailish NicPhaidin

Speaker (impromptu) was Kimberly Carroll, PHF. Kimberly spent 25 years as a Federal employee, primarily with the Department of Defense before retiring in 2009 as a Senior Procurement Analyst on Army staff in the Pentagon. Growing up in a military family gave her a love of travel and she hasn't stopped since, having lived everywhere from Eu-

rope to Asia in such places as Brussels, Prague, Qatar, and Canada and traveling to over 30 countries and counting—many of them in conjunction with Rotary adventures. She is President of SB Acquisition Consultants teaching government acquisition to Federal employees in the career field. She served as District Fellowship Chair for 2 years and is a Discussion Leader with the Rotary Leadership Institute. A proud Wildcat from the University of Arizona, she also holds two graduate degrees from Golden Gate University and Florida Institute of Technology. Mom of two: a son who recently retired from the Defender Unit of the 9th Circuit Court of Appeals and a daughter who works at CNN in NYC, she has three amazing grandsons...all of whom she loves to the moon and beyond!

Recently Kimberly was invited to participate in a global Webinar as a way of using Rotary to empower Rotary women and other women. Most of the volunteers are Rotarians. This Webinar was run by: <http://www.parichayfoundation.org/> in India. "Parichay" in Hindi means introduction. It's primary focus is to work with women and children in India, primarily in Delhi, and more specifically with "Acid Women" These are women who have had acid thrown in their faces and which leaves them disfigured and their lives diminished. This apparently occurs quite frequently in India and is a terrible problem for the women and children involved. The organization is all-volunteer and it depends on voluntary donations to survive. It raises awareness to run its workshops and to empower women with knowledge and education. Some of the work and training for and by the women is in sheltered environments as many of the women and children are reluctant to appear in public. There is a great need in India to educate men to respect women. It works with the U.N. to give the skills, education and empowerment to the women and children who sorely need all three ---- and then some.

Should anyone wish to donate to this great cause, please contact Kimberly. The website is most informative about the work of this organization.

### Random Thoughts

- ◆ I don't always go the extra mile, but when I do, it's because I missed my exit
- ◆ I want to be 14 again and ruin my life differently. I have new ideas
- ◆ Do you ever get up in the morning, look at yourself in the mirror and think, "That can't be accurate."
- ◆ I swear we are fighting two pandemics: Corona Virus and Stupidity
- ◆ I never thought my hands would touch more alcohol than my lips
- ◆ Age 60 might be the new 40, but 9:00 pm is the new midnight.
- ◆ The older I get, the earlier it gets late.
- ◆ I finally got eight hours of sleep. It took me three days, but whatever.
- ◆ I run like the winded.
- ◆ When someone asks what I did over the weekend, I squint and ask, "Why, what did you hear?"

And....In honor of National Dog Day, August 26th.....
