## **STUART ROTARY CLUB SHIRTS**

By Christine M Moreno

Come and Order your Rotary Shirt, only \$45 (which includes all embroiderie charges)!

Now is the time to place your order for a long-sleeve or short-sleeve light blue Stuart Rotary Club Shirt. Each Stuart Rotary Shirt has an SPF 30 UV blocker, and is a super-soft 100% polyester fishing shirt--but the shirt looks professional enough in the long-sleeve version to wear with your sportscoat. It can be worn outside or inside your slacks.

Shirt Unveiled at Installation Dinner to many approvals. Some members ordering short-sleeve, but most ordering long-sleeve. Shirt is running large, so many are ordering a size smaller for men and women sizes (Yes there are women's versions too).

We will have your Name, Rotary International Wheel, and

"Stuart Rotary" on Right-side. A Dozen orders have been submitted, but it is not too late to include you.

Call or E-Mail Chris or Art Moreno to place your order. Moreno4Law@Gmail.Com or (772) 485-6767.

## **Josh the Baby Otter Water Safety Program**

By Kathleen Crum and Christine Moreno

The "Josh the Baby Otter" Water Safety Program is designed to keep children safe around the water and to prevent accidental drowning of children. According to the Center for Disease Control & Prevention, drowning is the #1 cause of accidental death in children under the age of 5 years old, and the second leading cause of death in children under the age of 14 (second to the #1 cause: car accidents). Beginning in early childhood education, we can teach our children that they should *NEVER BE AROUND THE WATER WITHOUT AN ADULT*. The children's book, Josh the Baby Otter, is a story about a young otter who learns to float on his back in the water by being taught by his mother. He also is never in or near the water without his mother or a buddy. Joshua's Foundation provides every child with a Josh the Baby Otter coloring book and sticker, to further reinforce this message and remind the children of what they learned from Josh.

Led by Christine Moreno, Stuart Rotary Club members will soon **introduce the Josh the Baby Otter Water Safety Program to area children under the age of 6 at our County Library Branches in their reading rooms.**

To learn more about the Josh the Baby Otter Water Safety Program please visit the Joshua Collingsworth Memorial Foundation's website at
