## Delray Beach Club Recognition

### Congratulations to the Rotary Club of Delray Beach!

On behalf of the Trustees of The Rotary Foundation, I have the pleasure of informing you that your club will be recognized at the Rotary Foundation Luncheon with the special 2022-23 banner recognition. This recognition is an expression of appreciation for your members' generous support to the Annual Fund.

The recognition will be presented to you and your club by Rotary International President Gordon R. McInally at our District Rotary Foundation Luncheon on January 14th at 12 pm at Kravis Center in West Palm Beach.

Your club is distinguished from more than 36,000 Rotary Clubs worldwide as being of the following:

- **One of only 4,500 clubs worldwide to become a 100% Foundation Giving Club and one of only 12 clubs in our district** (clubs must have achieved an average of US\$100 in per capita giving and 100 percent participation, with every dues-paying member contributing at least US\$25 to any gift designation during the Rotary year).

Please convey our gratitude to every member of your club for their generous gifts to our Rotary Foundation. Your support enables Rotary members to tackle the world's toughest challenges, both in your community and across the globe.

Congratulations and thank you for making The Rotary Foundation a continued priority in your club.

Yours In Rotary Service,  
Douglas S. Heizer

## **The Rotarian year**

---

Why does the Rotarian year start on July 1st and end on June 30th?

The origin of this division dates back to the very early years of Rotary history.

Indeed, between 1905 and 1912, the development of Rotary in the United States took place gradually, without a global organization.

On August 18, 1910, the 1st Convention was held in Chicago. This date marked the beginning of the following Rotary year

In 1911, the Convention was held on August 21, with the same effect

An audit of the finances of the International Association of Rotary Clubs, requested by the Rotary Board of Directors in August 1912, recommended ending the fiscal year at June 30

In 1913, Rotary International was established, and that same year the Executive Board made the decision to end the Rotarian year on June 30.

From 1913, it is therefore on this date that the calls for contributions and the sending of workforce figures were launched.

## Rotary Donor Recognition

The **Paul Harris Fellow** recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to The Rotary Foundation.

Rotary established the recognition in 1957 to encourage and show appreciation for substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

The first Paul Harris Fellows included past RI Director Allison G. Brush, who served during the 1937-38 Rotary year, and longtime RI Treasurer Rufus F. Chapin, both for donations made in 1946. Mrs. Adan Vargas was the first woman to receive the recognition, for a gift made in 1953. Mrs. Harry L. Jones was the second, and one of only five people recognized for contributions actually made in that inaugural year.

Early Paul Harris Fellows received a certificate of recognition. In 1969, the Foundation unveiled the first Paul Harris Fellow medallion at the Rotary Convention in Honolulu, Hawaii, USA. Japanese metal artist Fiju Tsuda created the piece under the direction of former Foundation Trustee Kyozo Yuasa. Today, Paul Harris Fellows receive a certificate and pin. They are also eligible to buy a Paul Harris Fellow medallion.

Rotarians have a tradition of supporting the Foundation by honoring others. Ida LeTulle Taylor became a Paul Harris Fellow in 1978 when her husband, Vann Taylor, who was serving as a district governor, made a donation in her name in honor of their 34th wedding anniversary. The gift also made her the 25,000th Paul Harris Fellow.
