Welcome to the Rotary Club of New Port Richey

January 13, 2021

Today we welcome as our speaker, Charles Rudd, Economic Development Director for New Port Richey.

Last Week

Our speaker last week was our very own Carol McCormick with an update on how to use the Dacdb website.

Dacdb is the acronym for District And Club Data Base. Go to Dacdb.com. Enter your user name (your e-mail address) and password. If you don't know password, click forgot password and an email will be sent to you to reset. If that does not work contact Carol 727-207-8480 or Patti Templeton 727-858-6117. From home page click on MY DATA. Under this tab you can Edit your profile, look at your attendance record and View and Pay Invoices. Under finance tab click club account. All finance data will be shown with option to view detail or print Invoices. You can also pay by credit card by clicking pay online button. There is also a tab to go to rotary.org website.

Under Club all members info is available to you. If you go to District, then calendar, then RLI Training, you can sign up on the site. Our club will refund for any of these classes taken.

Gail thanked Carol for an interesting and very informative program. A donation will be made in her name to our local Pack-a-Sack program.

Holger Knaack

Last week Charlie Rogers showed us a short video of Rotary International President, Holger, talking about what is happening in these Covid times. He said that we should take advantage of the energy of young people. Covid made it possible for us to cross generations. We can continue to grow leadership and friendship in these difficult times. He said that we should take action and engage our numbers in the reward of helping others. We will rise to be our best. Now's the time for action. When we work together we can make the impossible happen. He closed with, "Thank you and please stay healthy."

Just In Case You Didn't Know It... In Person Meetings ARE Taking Place

In case you didn't realize it, we are actually meeting at the Spartan once again. You may attend the meetings on Wednesdays at 12:15 or join them on Zoom. Please let Patti Templeton know if you will be attending either way. She will either make sure there is enough food for those attending or send you an e-mail with how to attend the Zoom meeting. Patti may be reached at: 727-858-6117 or gator34747@aol.com.

Thank You Rotary From A Greatful Vet

A Veteran sent a letter of his appreciation for the donations made by our Club this past Veteran's Day.

I was recently under counseling in a facility in Trinity. Someone let your organization know that I was a vet and not knowing me or my situation, your club delivered me a care package. It included a service coin that TOUCHED MY HEART!! As a Vietnam era vet we never were welcomed back home the way vets are today. (I thank them when I can.)

My position in life is very comfortable and I don't need, thankfully, all the things included in your care package but I want you and your organization to know that you touched my heart unlike anything I have felt in a very long time. THANK ALL OF YOU!! I will be seeking out some needy people who I can pass on your kind gifts to.

The only thing more I could ask is that you share this with your members at your next meeting. I imagine that this message is the exception rather than the rule but I'm sure others were as grateful as I am. GOD BLESS ALL OF YOU AND YOUR ORGANIZATION. I will be following up with a phone call but if you wish to speak with me personally here is my INFO: John C. Davis II (USAF VET)

What a heartwarming reminder that the PEOPLE in our community are the reason for everything we do as a Club.

Tardy Todd

Todd Gibbs was in his early 60's, retired and had started a second career in catering. However, he just couldn't seem to get to work on time. Every day he was 2, 3, 5 minutes late. However, he was a good worker, really clever, so the owner was in a quandry about how to deal with it. Finally, one day he called Todd into the office for a talk.

"Todd, I have to tell you, I like your work ethic, you do a first rate job, but your being late so often is quite a worry."

"Yes, I realise that, sir, and I am working on it," replied Todd.

"I'm pleased to hear that; you are a team player. It's odd though, your coming in late. I know you're retired from the Navy. What did they say if you came in late there?"

"They usually said, 'Good morning, Admiral.'"

DIY Cabinet

Rosie Hall buys a self-assembly, flat-pack, cabinet from her local Home Depot. Reaching home Rosie reads the instructions carefully, counts the pieces then assembles the cabinet in the bedroom. It looks really great and she is delighted. Now, Rosie lives near a railway line and as the train passes by, the cabinet collapses. Undaunted by this misfortune she re-reads the instructions and re-assembles the cabinet. Once more, another train passes and the whole cabinet collapses again.

Rosie now frustrated and thinking that she must have done something "wrong" re-re-reads the instructions and re-re-

assembles the cabinet. Shortly, a train passes and the whole cabinet collapses yet again for the third time. Rosie is now fed up, cross and rather angry so she phones the customer service department. She is told that this is quite impossible and that they'll send along a fitter to take a look.

The fitter arrives and assembles the cabinet. Again, a train passes and the cabinet collapses. Completely baffled by this unexpected event, the fitter decides to reassemble the cabinet and stand inside it to see whether he can find out what causes the cabinet to collapse.

At this point, Rosie's husband comes home, sees the cabinet and says, "Oh, that's a splendid looking cabinet," and he opens it to look inside.

The fitter, who had been wondering how to explain his position in Rosie's bedroom cabinet, blurts out, "You probably won't believe me, but I'm standing here waiting for a train."

Silent Movie

Ronnie Walsh was excited the last time he went to the movies at the local cinema to see the latest blockbuster. But because of two women loudly chatting together who were sitting in the row in front of him, Ronnie was unable to hear the dialogue clearly. Ronnie leaned forward and said in a stage whisper, "Excuse me ladies, but I can't hear."

"I should hope not," retorted one of the women, "this is a private conversation."

Looking for Speakers

Lisa Shippy-Gonzalez is our Program Chair and she is looking for interesting speakers. They can speak about a cool hobby that they have, or give us information that will be helpful in our lives for a couple of examples. They can either be present at the Spartan or they can join us by Zoom. Finding speakers can be a hard job for just one person, so let us help Lisa by introducing someone who may have an interesting story to tell. You may call her at 813-785-3771 or email her at: lisarotary6950@gmail.com.

Rotary Santas 2020

Rotary Santa looked a lot different this past Christmas, but the smiles were still there under the masks. Here are a couple more Rotary Santa photos. (These even captured the guy in the big red suit!)

Service Above Self The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **First** - The development of acquaintance as an opportunity for service;
- **Second** - High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupa-

tion as an opportunity to serve society;

- **Third** - The application of the ideal of service in each Rotarian's personal, business, and community life;
- **Fourth** - The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Some Other Good Things That Happened In 2020

Talia Lakritz, Insider, November 13, 2020

Yes, 2020 was a rough year. But even with all of the bad news, there were still reasons to smile thanks to these acts of kindness...

An abandoned house was completely renovated for a homeless veteran in February.

Working through the organization Operation Victory, more than 50 labor unions, community groups, and businesses spent six months renovating an abandoned house in Kentucky for veteran Torre Harris to move into.

"We saw there was a need in our community to help veterans and homeless folks," Tim Morris, director of the Greater Louisville Central Labor Council, told Insider's Matthew Wilson.

Harris, 60, couldn't believe it when he was told the home was all his.

"I felt like a celebrity," Harris told Insider. "I just couldn't believe there was so many nice people in the world, period. I can say they really helped me out. It's such a touching thing to me."

A bride donated flowers from her postponed March wedding to nursing homes.

Like many couples with spring wedding plans, Krystal Goytia and Jason Oswald had to postpone their March nuptials due to the coronavirus pandemic.

It was too late to cancel their flowers — the 500 roses, 300 hydrangeas, and assorted greenery had already shipped. So the couple, from New Braunfels, Texas, decided to pass them along to people in need of cheering up.

"We knew that so many people were being impacted by COVID-19 but we knew the people it was affecting the most were elderly and healthcare workers," Goytia told Insider. "We wanted somebody to be able to enjoy our flowers since we wouldn't be able to, so we decided to donate them to the local nursing homes."
