This week's meeting will be hybrid. You are welcome to join us at Widow Fletcher's or via Zoom. Please check your email for the Zoom log-in information.

Our speaker this week is our very own Pasco County Property Appraiser, Mike Wells.

Mike Wells has dedicated his entire public service career to creating a bright future for Pasco County and its residents. He was sworn into office in January 2021 and is proud to serve as Property Appraiser for one of Florida's fastest-growing counties.

As a former Pasco County Commissioner, Mike worked to balance budgets, keep taxes low, prioritize public safety and guide smart development and economic opportunity during a time of unprecedented growth. His experience as a Realtor is helping shape new and innovative ways the Property Appraiser's Office can better serve residents, local business owners and industry professionals alike.

Mike started his term doing what he does best -- getting out and listening to those he serves. Town hall-style meetings with local professional groups and residents are serving as catalyst to guide website and process improvements driven by the latest mass appraisal technologies as well as continuing education.

Mike is actively involved in charitable organizations such as the YMCA, United Way, Feeding Pasco's Elderly, the Early Learning Coalition of

TAKE ACTION: Join Rotary, Get Involved

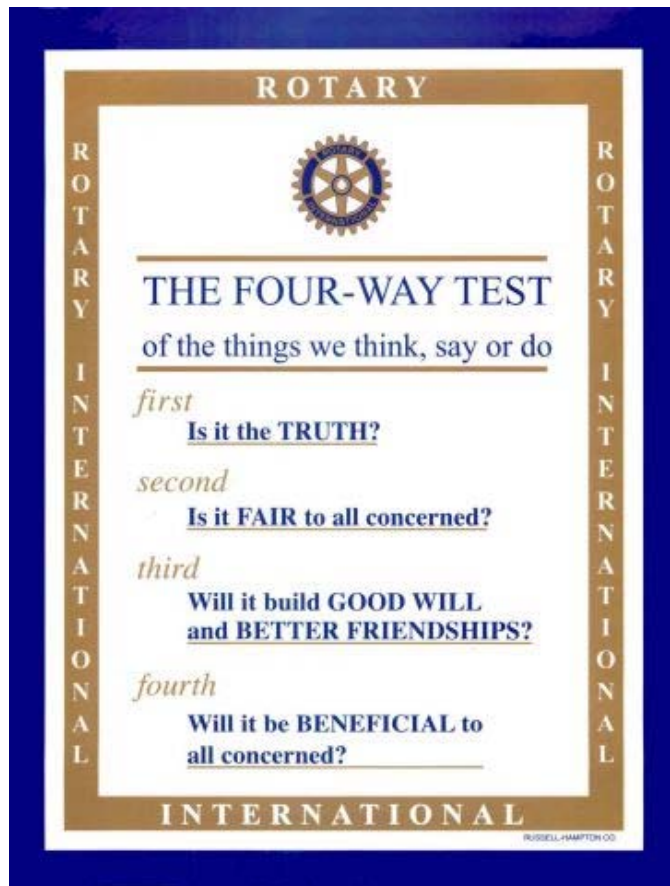

September is Basic Education and Literacy Month. Rotary focuses on basic education and literacy to reduce poverty, improve health, encourage community and economic development, and promote peace.

Here are some of the upcoming service projects our club can participate in:

- RAP House - First and Third Tuesday of every month. Unfortunately, the RAP House is NOT allowing cooking on-site. "Taco Tuesday" deliveries are back in effect. If you are interested in volunteering, please contact Ronnie at qscronnie@gmail.com
- Volunteer Way - The Volunteer Way is in need of volunteers. If you are able to organize this, please email Ronnie at qscronnie@gmail.com.

If you have any suggestions for service projects or have any questions, please contact Ronnie.
