President's Message

President's Message

Last Friday, Liz McCauley, Executive Director of the Cape Coral Animal Shelter, updated Goldcoast on the progress of the new no-kill shelter. After just one year, they are looking to expand their facility to provide more space for low-cost veterinary services. Like Rotary and everyone else, the Shelter has restructured how it provides services during the pandemic, but it is getting the job done despite the challenges.

By the way, Liz is a former Pennsylvanian Rotarian and she'll be joining us as a guest soon when we meet at Gulf Coast Village. Maybe we can convince her how great it would be to be a Rotarian again.

Yours in Rotary,
Brad

Jennifer Jones to speak on Infinite Possibilities

R.I. President-Nominee Jennifer Jones is the surprise speaker at this month's Infinite Possibilities program on Zoom. Register early. The program is at 1:00 on Friday, October 30. So far, this has been an outstanding program on women in Rotary. For more information, check out the article below.

Visitor Form for In-Person Meetings

Gulf Coast Village has a screening form for visitors to its facility, including Goldcoasters. [Review the form](#) to ensure you are eligible for admission to meetings.

World Polio Day Fellowship

The event in Rotary Park on Saturday, October 24th at 3:00 is fast approaching. The morning club would like a head count so that they know how much food to prepare. Please send me a quick email at corbett@solarus.biz if you plan to attend. I will pass that information along.

[World Polio Day](#) is a time for Rotarians and Rotaractors across the globe to raise awareness about our work to eradicate polio for good. If we stay committed to making progress, polio will be the second human disease ever to be eradicated.

In our fight to end polio, we've used our collective strength to defeat this devastating disease in almost every part of the world. This year, the World Health Organization's African region was certified free of wild poliovirus ♦ showing that eradication is possible even in very difficult circumstances. Wild poliovirus still paralyzes children in Afghanistan and Pakistan, and as long as polio exists anywhere, it remains a threat everywhere.

A polio-free world is possible, but we can achieve it only by taking action together. With the challenges to vaccination programs posed by the COVID-19 pandemic, it's even more crucial that Rotary continues to build awareness and raise funds for polio eradication.

Jennifer Jones will Speak at

October Women in Rotary Webinar

By Susan Courter on Thursday, October 1, 2020

Jennifer Jones is making history as the first female president of Rotary International, nominated to serve in 2022-23, and she will be speaking to us live on October 30, 2020 at 1:00pm EST as part of the Infinite Possibilities: Women in Rotary series. Anyone is welcome to participate. Rotarians, invite your non-Rotarian friends to spend an hour of their day listening to one of the most brilliant and inspiring Rotarians you will ever come across.

Jennifer joins the lineup of some amazing guest speakers featured in the webinar series. In July, the series kicked off with Sylvia Whitlock who is the first female president of a Rotary club. Followed by Jenny Stotts, an energetic and ambitious Rotarian who has innovative ideas for clubs to increase diversity and enhance the membership experience. Last week we heard from Past Rotary International Vice President, Dean Rohrs, who proved to be a captivating storyteller giving us insight into some of her life journeys which brought her to be such an accomplished leader in the Rotary world.

If you missed any of the first three sessions [click here to view the recordings](#). Rotarians can register for the October webinar on [dacdb.com](#) and non-Rotarians can [click here to register](#). The event will also stream live on the [District 6960 Facebook page](#). Come check it out!
