President's Message

By Donald H. Thomas

This week we are having our club assembly. The assembly is in the months that have a 5th Friday.

We will be brought up to date on upcoming programs for the next couple of months, the fundraisers for the year, and any fellowships the club will have. The club assembly is designed to inform the club members of the state of the club. This gives everyone the opportunity to ask any question they may have. We want it to be upbeat and informative.

How we can grow membership? I'm sure Bob Knight has a couple of tricks up his sleeve.

Please come with any ideas or thoughts you have for the rest year. We want everyone to be engaged and feel that their ideas count.

We are going to have to think about our next slate of officers for the year 2022 - 2023.

YIRS,
Don

District Membership Chair Shares Thoughts on Recruiting

By Bradley P. Corbett

District Membership Chair Gerard Sola joined Goldcoasters last Friday, revisiting the topic of membership in Rotary clubs. Both the District and our club are making good progress toward meeting 2021-2022 new member goals. Gerard noted that the District is working on building two new clubs in areas which do not currently have clubs. But Gerard cautioned clubs against focusing on numerical goals when recruiting. Instead clubs should focus on whether proposed members will help you meet your club's needs and goals as

determined by your club's strategic action plan. Gerard also recommended focusing energy on non-attending members to see what is preventing their participation. Such members should not be written off without a conversation with them. For some inactive members and for individuals interested in Rotary but who can't attend club meetings, the District is organizing an e-club specifically for our district.
