President's Message

The month of December is; Disease Prevention and Treatment. We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care. Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

We all do our part when we contribute to the Rotary foundation.

YIRS,
Don

Our Man in Tallahassee

State Representative and Goldcoaster Mike Giallombardo reported on his first year in the Florida House of Representatives, representing the 77th District, at our November 19 meeting. As a member to the State Administration and Technology Appropriations Subcommittee, Mike played a significant role in drafting and in the eventual passage of the 'State Cybersecurity Act', regulating state agencies' cybersecurity practices. Mike, relying on his business background, focuses on laws affecting business and commerce. Otherwise, Mike noted that his position requires him to be a jack of all trades but master of none, dealing with education issues, Covid mandates, home and flood insurance availability, the state budget and on and on. Despite his busy schedule juggling his business and legislative responsibilities, Mike promised to increase his attendance at Goldcoast Rotary meetings. We look forward to seeing him around more.
