Club Meeting

Something to Smile About

Thursday, July 23, 2020

As I looked in my mirror this morning, and thought about things that I am grateful, I realized I was born healthy with a functioning mouth. I can breathe, hear, speak, eat and swallow in a normal fashion. Then I remembered there are children born throughout the world that weren't born so lucky. A cleft pallet must be terrible thing to live with, especially starting life. Thanks to generous Rotarians using The Rotary Foundation, cleft pallet surgeries repair the malformations and change the human condition for the better. [Read More](#)

Membership Recruiting Tip

Thursday, July 23, 2020

District Governor Darryl Keys recounted his introduction to Rotary. A business colleague invited him to lunch. And Keys, unexpectedly, ended up in a Rotary lunch meeting. This "ambush" worked, as Keys ultimately joined the club. If anyone has ideas on how to pull this off for virtual meetings, let the Nugget know.

President's Message

Thursday, July 23, 2020

Past Rotary International President Barry Rassin spoke to Goldcoast last Friday. Well, sort of. Rassin's March 7, 2020 Speech to Florida P.E.T.S. in Orlando (available on YouTube) reported Hurricane Dorian's devastation on two Bahamas islands and recounted Rotarians' efforts to assist in the clean-up and recovery. Rassin also spoke of future opportunities for hands-on assistance from Rotarians, especially Florida Rotarians. Unfortunately, Covid-19 struck one week after the P,E,T,S, conference and has, no doubt, both worsened the situation in the Bahamas and further delayed their recovery. But, the Bahamas will recover and it would be great if Goldcoast could assist. [Read More](#)

Ready, Set, Go! 2020-2021 Club Goals

Thursday, July 23, 2020

The following club goals were submitted to Rotary International and will be tracked each month. Please review them and start planning how you will help Goldcoast meet and exceed these targets. Most of these are not stretch goals and should be easily achievable. [Read More](#)
