Global Grant ❖ ❖ 2020 Tarapoto, Peru Cleft Lip & Palate Vocational Training Team❖

Sponsor: Bonita-Naples Rotary Host: Tarapoto, Peru Rotary

Location: Tarapoto, Peru Budget: **\$39,825**

Team: 18 volunteers Date: November 6-14, 2020

???????

This grant will provide children with hope and healing by developing a sustainable, fully-staffed multi-disciplinary cleft lip and palate clinic. The clinic will not only perform the initial surgery on each child, but continue follow-up care and services, which may include additional surgery, speech therapy, nutritionist, dentist, social worker, psychologist, and orthodontist specialties.

The proposed activity is to provide a professional Vocational Training Team. The team (composed of volunteer U.S. medical personnel recruited by AdventHealth Sharing Smiles and local medical professionals) will screen patients and perform cleft lip and/or palate surgeries on up to 50 children, while training in-country professionals to continue treatment throughout the year.

The vocational training team will help develop each of the disciplines that are required in a cleft lip and palate clinic. The disciplines include plastic surgery, speech therapy, orthodontics, pediatric anesthesiology, pediatric recovery room nursing and operating room nursing. We will work with the local medical teams.

Your Rotary Club has committed to providing **\$2,000** funding towards this multi-club grant. We also have the ability to accept cash from individual club members. Each member that donates will receive Foundation credit for his/her donation. This is achieved by completing the attached TRF Multi-Donor Form that lists each club member's donation.

Please make your checks out to The Rotary Foundation (no notation on the notice line) and mail to Jim Fabry

21021 Bella Terra Blvd, Estero, FL. 33928. Jim will collect and send to Alfred Current. This cash donation is matched 50% by the Rotary Foundation and added to the total Global Grant. Dee has pledged \$500.
