Connect For Good

GET INVOLVED AND MAKE A DIFFERENCE

When you joined your Rotary club, you wanted to make a difference. Membership in a Rotary club offers you opportunities to connect with other professionals who aren't afraid to lead and are dedicated to making a difference. Spending time with your fellow club members whether to attend a meeting, plan a project, exchange ideas, or just have fun can lead to lifelong friendships. When you get involved and make connections, you will inevitably grow as a person and develop new skills. Here are some ways to connect within your club.

CONNECT WITH YOUR CLUB

SHARE YOUR IDEAS with club leaders to help your club achieve its goals, enhance its projects, and improve the member experience. Your suggestions could become the next big initiative in your club or community. See Be a Vibrant Club and learn more about club flexibility.

- FIND A MENTOR or mentor another member to share professional expertise, community knowledge, and Rotary information.
- ORGANIZE A CLUB EVENT or service project and gain new skills and experiences like event planning, public speaking, or managing volunteers.

- TRY A NEW ROLE. Broaden your knowledge and apply your experience and skills in a club leadership role. Take the first step by asking where your club needs help. If you've already been in a club leadership role, try serving in a district role. Ask your district governor and governor-elect where your expertise and talents could be useful.
- BECOME A LEADER IN ACTION. Participate in your club's leadership development program.

The Liberty Litter Cleanup

Englewood Veterans Memorial and Freedom Pavilion on July 5th.

Why are we doing cleanups? Cleanups provide an opportunity to realise the connection between the small carelessness gestures of the world to the bigger picture. Thank you to the few volunteers for taking a few hours out of your holiday weekend to give back to your community. Rotarians are People of Action. Keep Sarasota County Beautiful (KSCB) is a county-wide beautification program that initiates community cleanup projects to help keep our community free of litter. Established in 1987, our organization is an affiliate of [Keep America Beautiful Inc.](#), a national, non-profit organization that inspires and educates people to take action every day to improve and beautify their community environment.

Keep Sarasota County Beautiful hosts several county-wide cleanup events throughout the year including:

- The Great American Cleanup (spring event) Completed April 22, 2021
- The Liberty Litter Cleanup (summer event) Completed July 5, 2021
- The International Coastal Cleanup (fall event) September 18, 2021
