This Saturday, Volunteer for a few hours to help clean up the Veterans Park

September 18, 2021 - World Cleanup Day

◆What would happen if everyone picked up at least one piece of litter?

From coast to coast, organizations and individuals volunteer to clean up our parks, trails, beaches, mountains & open spaces. We will do our part by pulling weeds and cleaning up the **Englewood Veterans Memorial and Freedom Pavilion | 641 W Dearborn St., Englewood, FL 34223 on September 18th from 9-12.**

The Interact students from Lemon Bay High School and LA Ainger Middle School will be joining us: this is the first time we will be doing a joint service project with these two schools. So put on your Rotary at Work shirts, bring some gloves and a refillable cup and let's show these Interactors just how great Rotary is and how we are changing the world!

Rotary Wine Appreciation Fellowship

Rotarian wine enthusiasts we have created a new wine fellowship in our area. Our objective is to learn more about wine, wine and food pairings and any other topics related to the appreciation of wine so that our own appreciation of good wine will be enhanced. We will accomplish that by sharing our own knowledge and experiences and by learning from the many wine experts and knowledgeable Rotarians.

We want you to become actively involved in our fellowship and to share your tasting notes and wine experiences. The Wine Appreciation Fellowship is a wonderful learning tool for those who are interested in expanding their knowledge and sharing ideas regarding all aspects of wine appreciation.

Dana Kuhn from Rumours Wine Bar will be our guest speaker on September 21st to talk a little more about wine appreciation, wine clubs and fellowship...

Stay tuned for more information about our first Wine Social...

Englewood Rotary Means Business - Purple Pinkie Project

As Club Chairperson for Rotary Means Business (RMB) I am excited to share with you that our club will be hosting a RMB/Purple Pinkie for Polio event at Artur's Restaurant on October 12th from 5:30-8:00pm. President Traci and I will be inviting the members of our partner clubs in Englewood to join us as well. We feel that it can only benefit all of us to learn more about the business-sharing opportunities that exist in our community. We are combining the event to feature both RMB and Purple Pinkie for Polio. Admission will be \$20, \$10 of which will go directly to support Polio.

So, what can you expect from the evening? After a social hour we will have a guest speaker who will relate his personal experience with Polio and to remind us of why we do what we do in our effort to eliminate Polio throughout the world. Then we will kick off the RMB portion of the gathering. Depending on the number of attendees, everyone will have an opportunity to give a 2 to 3 minute intro to their business. We will have a table set up for members to bring in business cards and any business-related handouts/free-bees that they'd like to display. As you have heard me say at our meetings, whether you are working or retired, you can benefit from this program. After all, everyone needs professional assistance at some point in time, whether it be an attorney, financial planner, a/c specialist, florist, dry cleaner or what have you! And, as you've also heard me say...wouldn't you rather do business with a fellow Rotarian who follows the 4-Way Test than to google search and randomly select someone that may or may not be trustworthy?

We will be providing light appetizers and there will be a cash bar. Signups will be required on DACdb, [click here to register](#), as we will need to provide a headcount to Artur for the food. I promise you that this will be a worthwhile event! If you have any questions or comments, please do not hesitate to reach out to me via email sagrad@aol.com or by phone 203-650-5105.
