Meets at Artur's Restaurant

Time: Tuesday at 11:30 AM

Englewood Rotary Means Business - Purple Pinkie Project

As Club Chairperson for Rotary Means Business (RMB) I am excited to share with you that our club will be hosting a RMB/Purple Pinkie for Polio event at Artur's Restaurant on October 12th from 5:30-8:00pm. President Traci and I will be inviting the members of our partner clubs in Englewood to join us as well. We feel that it can only benefit all of us to learn more about the business-sharing opportunities that exist in our community. We are combining the event to feature both RMB and Purple Pinkie for Polio. Admission will be \$20, \$10 of which will go directly to support Polio.

So, what can you expect from the evening? After a social hour we will have a guest speaker who will relate his personal experience with Polio and to remind us of why we do what we do in our effort to eliminate Polio throughout the world. Then we will kick off the RMB portion of the gathering. Depending on the number of attendees, everyone will have an opportunity to give a 2 to 3 minute intro to their business. We will have a table set up for members to bring in business cards and any business-related handouts/free-bees that they'd like to display. As you have heard me say at our meetings, whether you are working or retired, you can benefit from this program. After all, everyone needs professional assistance at some point in time, whether it be an attorney, financial planner, a/c specialist, florist, dry cleaner or what have you! And, as you've also heard me say....wouldn't you rather do business with a fellow Rotarian who follows the 4-Way Test than to google search and randomly

select someone that may or may not be trustworthy?

We will be providing light appetizers and there will be a cash bar. Signups will be required on DACdb, [click here to register](#) as we will need to provide a headcount to Artur for the food. I promise you that this will be a worthwhile event! If you have any questions or comments, please do not hesitate to reach out to me via email sagrad@aol.com or by phone 203-650-5105.

Thank you for all that you do for Rotary and for our community.

RMB Chair

Food Drive for School Food Pantry

School Pantry Programs help alleviate child hunger in America by distributing food to children and their families.

Healthy, nutritious foods lead to better behavioral and academic success. The Interact students at LA Ainger want to open a food pantry in their school where the risk of food insecurity is prevalent, bringing groceries to students and families who may struggle to make ends meet. Access to fresh groceries and nutrient-rich meals is a stepping stone to a bright future.

How Can You Help?

We will be having a food drive during the month of October, please bring your food donations to the weekly meetings.

Pantries most needed items:

Dried and canned fruits and vegetables
Shelf stable grains
Shelf stable breakfast items
Canned meats like: tuna, vienna sausages, chicken, spam

Spread the Word

Recruit your family and friends to join you in your efforts to Pack the Pantry. They can drop off their donations Monday thru Friday from 9 am - 5 pm at Rowley Insurance Agency at 250 Dearborn St, Englewood.

Myakka River Elementary Fall Festival

Fall is in the air and Myakka River Elementary is having a Fall Festival to celebrate.

The RotaKids are in charge of creating and running the obstacle course, and the kids are so excited. We are looking for a few volunteers to help set up the course and assist the kids. Volunteers would need to arrive at 3:15 pm on October 29th. The Fall Festival ends at 6:30 pm.

This is a fundraiser for the school and all the money goes back into the classrooms to benefit the kids.

If you are interested in being a volunteer please contact Traci Hamill (941) 307-0939.
