How to call into Zoom using a cell phone

By Traci Hamill on Tuesday, July 21, 2020

We have heard from many members that they are not joining the Zoom meetings because they are not computer savvy.

Zoom has a dial in feature, so if you can make a call on your cell phone, you can join a Zoom meeting. You will not have any visual of the meeting, only audio. Below is a Step by Step guide.

Step 1 - Audio conferencing participants will need to call: 646-876-9223 AND follow the verbal instructions.

Step 2 - Enter the meeting ID 84213086733 press the # key.

Step 3 - You will be asked to enter your participant ID. 29643371 then press the # key

Step 4 - You have now joined the Zoom meeting.

Hello Friend! Rotarians Connecting with Seniors

By Traci Hamill on Wednesday, July 22, 2020

Everyone enjoys making new friends, especially a local senior. This new program sponsored by the Rotary Club of Englewood will connect you with a local senior who perhaps does not have a "friend" or family, or someone just looking for a new friend.

Your Commitment to this program will be a PenPal with a local senior. Get to know your new friend through letters, cards and perhaps even a phone or Zoom/FaceTime conversation. And when possible - a face to face visit!

This is not a one and done - it is intended to be a long lasting relationship.

In this time of COVID, seniors can not see family or friends, they can use all the support our Rotarians can give.

Please email Brenda Peckham for more information bpeckham@brookdale.com.
