Jennifer E Jones to be the first female Rotary International President for 2022-23

By Traci Hamill on Thursday, August 6, 2020

We would like to congratulate Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, on being nominated to become Rotary International's president for 2022-23, a selection that will make her the first woman to hold that office in the organization's 115-year history.

A current Rotary Foundation trustee, Jones has been a member since 1997 and has served Rotary as vice president, director, training leader, committee chair, moderator, and district governor. Read more: <https://on.rotary.org/2DDj58H>

Service Project - Hello Friend! Rotarians Connecting with Seniors

Everyone enjoys making new friends, especially a local senior. This new program sponsored by the Rotary Club of Englewood will connect you with a local senior who perhaps does not have a "friend" or family, or someone just looking for a new friend.

Your Commitment to this program will be a PenPal with a local senior. Get to know your new friend through letters, cards and perhaps even a phone or Zoom/FaceTime conversation. And when possible - a face to face visit!

This is not a one and done - it is intended to be a long lasting relationship.

In this time of COVID, seniors can not see family or friends, they can use all the support our Rotarians can give.

Please email Brenda Peckham for more information bpeckham@brookdale.com.

End Polio Now

Saturday, August 8, 2020

By PDG Rich Kirschner

Since 1985, Rotary International has led the fight to eradicate this disease around the world. Rotary member volunteers, including some of you, have traveled the world at their own expense to immunize nearly 3 billion children. Rotary has partnered with the World Health Organization, the US Centers for Disease Control, the Gates Foundation, and committed nations to make the world 99.9% polio free.

Today, 2 countries remain endemic: Afghanistan and Pakistan. I ask every club and member to help us continue our fight and pledge to complete this audacious goal: ridding the world of a disease. It is our dream for the world, and it began with us.

Polio is largely unknown in the USA and so we need to tell this story to our members and communities and remind all the leadership and help we need to finish the effort.

I am challenging every member this year to pledge to set aside 25 cents every day to defeat polio.

Our District goal is to raise \$150,000 we can do this if every member pledges 25 cents per day.

Let us END POLIO NOW.
