## October is Economic and Community Development Month

By Traci Hamill on Tuesday, September 29, 2020

Rotary supports investments in people to create measurable and enduring economic improvement in their lives and communities.

The Rotary Foundation enables Rotarians to invest in people by creating sustainable, measurable and long term economic improvements in their communities and livelihoods by :

1. Building the capacity of entrepreneurs, community leaders, local organizations, and community networks to support economic development in impoverished communities;
2. Developing opportunities for productive work;
3. Reducing poverty in under-served communities;
4. Supporting studies for career-minded professionals related to economic and community development.

## Avenues of Service

By Traci Hamill on Tuesday, September 29, 2020

Many Rotarians know about the Avenues of Service, however, there is one that is overlooked by many clubs, that is Club Service.

Some members think club service means the service projects that the clubs do, however, that is not the case. The Club Service Avenue of Service is where we serve our own members by providing by leading and managing ourselves to form an effective and productive Rotary Club.

We are all responsible for implementing the various functions of our club, from weekly meetings, to board meetings, to district conferences, and international conventions. The Club Service Avenue of Service director helps oversee the committee structure and helps ensure quality Rotary meetings and projects.

In Rotary, we not only want to grow our club and improve the health of the club, but we want each member to continue to grow as individuals. To truly live a life of ♦Service Above Self, ♦ we need to reach within ourselves and determine what is most important in our own lives and reflect upon how we can leverage our Rotary club to better achieve our own personal desires and goals to serve humanity.

In that regard, we Rotarians not only serve our community, but we also can serve each other by encouraging each other and helping support the projects that we each are most interested in pursuing in Rotary. Because Rotary is a decentralized organization, the power of our club is based in the member, we are a bottom up club, so any individual member holds the power to plan a project, discuss it with fellow members, and take action to achieve it. This is a remarkable club to develop your leadership skills and achieve your most precious life goals in serving humanity.

Avenues of Service

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in [An Introduction to Vocational Service](#) and the [Code of Conduct](#).
- Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in [Communities in Action: A Guide to Effective Projects](#).
- International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as [Rotaract](#), [Interact](#), [Rotary Youth Leadership Awards](#), and [Rotary Youth Exchange](#).

## Peanut Butter Jelly Time

By Deborah Hegedus on Tuesday, September 29, 2020

For our October Service Project we are participating in the United Way 2020 Day of Caring.

**Peanut butter jelly time!**

We will collect as much Peanut Butter & Jelly as we can to be distributed to the Harry Chapin Food Bank to help fill their shelves with a high demand children's food.

Start Collecting and donate any brand any size. We also recognize some children have peanut allergies so feel free to also collect alternative nut butters like almond or cashew. It's your choice.

Please begin collecting as many of these items that you can, then deliver them to our club meetings or contact Deborah Hegedus or Alfred Current to arrange a drop off or pick up.

**What are you waiting for, It's Peanut Butter Jelly Time!**

## Halloween Social

Wednesday, September 30, 2020

DG-Elect

Neil E. Snyder  
DG-Nominee
