

## Zoom Meeting this Friday!

This Friday's Rotary Zoom meeting we will welcome Richard Green as our 2020-21 Incoming President! In addition to it being his first meeting, this is going to be our 4th of July SPECIAL! I know we are all sad to be missing the parade this year, so I am going to try to bring a little *celebration* to the club meeting. I have a few fun surprises that you are not going to want to miss!!

The 'doors' to our Zoom meeting will open at 7:00am, and you are encouraged to come along early to enjoy some small group fellowship before I ring the bell to get us underway. When you sign in you will be assigned to a small breakout room with just a few members so that you can get some catch-up time with your fellow Rotarians before the meeting starts. The meeting itself will start promptly at 7:30am.

Please come to the meeting in your finest (or funniest) 4th of July attire, we want to fill Zoom with Red, White and Blue!!!!

## One Moment Please!

In an effort to have future speakers that our members can enjoy and find useful, our newly formed speaker committee is working to fill open meeting dates with speakers. Would you be so kind as to take one minute and click on the link below to see a Member Input Form that you can quickly complete? Thank you very much!

## Message from our SC Rotary Presidents

Dear Rotarian,

Greetings,  
On behalf of President Elect Richard Green and myself we are sending this important message to notify you that because of the Covid-19 pandemic, our club board approved last evening the reimbursement of the portion of your club dues for breakfast that you paid for but you did not receive because we did not meet at the Dunes Country Club.

We have attached an Option Election Form for you to select which option you prefer and return the signed election. Keep in mind this option of reimbursement only applies if you have in fact paid your dues.

We thank you for your kind patience in waiting for these options. These are challenging times.

Yours in Rotary Service,

Eldon L. Bohrofen

## We need your Updated Information

We are in the process of forming a Disaster Notification Committee with the very active hurricane season approaching. Please go into the DACdb webpage and be sure your contact information is up to date, including the carrier of your cell phone so you can receive texts. If you have any problems or have trouble figuring it out, no worries, please contact me (Cindy) by replying to this bulletin (just to me- not to everyone!) and I will help you get it squared away.

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
