SANIBEL-CAPTIVA ROTARY CELEBRATES THE FOURTH OF JULY... Is this year going fast or what? July already! The Sanibel 4th of July parade was outstanding this year; probably the best I have seen in my over 20 years living on Sanibel and just off now at Shell Point. Congratulations to this year's parade committee and to all the participates in the parade for their devotion in celebrating our Nation's birthday together by-way of our unique Island community spirit. Sanibel-Captiva Rotary loves their participation in the parade every year. Our parade float guru, Bill Rahe, is probably already planning next year's Rotary Club float, but Bill doesn't do it alone. Much of this year's float design was conceived and produced by Rotarian, Joleen Raho. Joleen and Bill collaborated on finding a design that represented both the theme "Seas the Day" of this year's parade and Rotary's global commitment to clean water and helping to sustain programs that help our environment. Many hours of time are dedicated to this project. Joleen painted for hours the outstanding and fun under the sea design that ran along the sides of the float and Bill and his team assembled and constructed the final float's overall design. Certainly, our patriotic design was present on the float...bunting dressed, uncle Sam standing tall, and flags waving. God Bless America!
