## HANWASH - pure water for Haiti

By Vana Prewitt on Monday, May 24, 2021

HANWASH is an initiative of Rotary District 7020 in Haiti. District 6960 in Southwest Florida is a partner on this Global Grant. Please consider supporting this international service initiative during the coming year. You can learn more or get involved by contacting our HANWASH Ambassador PDG Don Thomas @ [donthomas@comcast.net](mailto:donthomas@comcast.net) or 239-851-8933. He is available and eager to speak at your club

meeting.

While the lack of clean water and sanitation has been a major problem in Haiti for years, the situation became dire in 2010 after a massive earthquake destroyed many of the existing sanitation systems. As the poorest nation in the western hemisphere, Haiti is extremely vulnerable to natural hazards, with more than 90% of the population at risk. [Almost 60% of Haitians live below the poverty line of \\$2.41 a day](#), and millions struggle to find clean drinking water.
