Give us 5!

WE NEED YOU!

Well, 5 of you! The Donation Solicitation Committee, spearheaded by Mary Bondurant, Mike Raab and David Lowden, announced they are seeking at least five volunteers to make solicitation phone calls in the next couple of weeks as the first phase of the committee's efforts to identify donors to support the Golf Charity Cup and Arts and Crafts Festival. Mary will train the volunteers on how to conduct these phone solicitations. If you are willing to assist the committee, please contact Mary at (239) 839-3633.

Friday's Speaker: John Cassani with the Calusa Waterkeeper

This week's speaker is John Cassani with the Calusa Waterkeeper

John's professional career as an ecologist started here in Lee County in 1978 after receiving degrees in Biology and Fish and Wildlife. From 1978 to 2014 he worked as a resource manager for local government, managing waterways of Southwest Florida. He has authored both peer-reviewed scientific publications and popular media sources on resource management, history, water policy and conservation issues. His service on advisory boards, his commitment to community and involvement with land and water conservation has led to recognition from various civic groups, including the Florida Audubon Society, Estero Bay Agency on Bay Management, Lee County Government, the Everglades Coalition, the American Fisheries Society, and the Alberta provincial government.

Due to John's expertise as a fisheries scientist and water manager, he has been sought out as a consultant to private industry, government and academia. In December 2016, John accepted the position of Calusa Waterkeeper, a member of the international Waterkeeper Alliance.
